

Who Does Dagon Represent Today?

Did you know this study in 1 Samuel 5 makes it clear when the day begins?

*Are there **serious** implications when only the head and hands are cut off at "the" threshold of this pagan fish-god?*

*What is "**the**" threshold? And why was the fish portion of this god not damaged?*

Who is
the guard
of this
threshold?

It
may
not
be

who you think?

Who is Dagon?

In Hebrew the word for fish is
- **dag**.

Dagon was a pagan god of the
Philistines and Phoenicia.

It is recorded they believed
Dagon was the father of Baal.

WHAT DOES IT MEAN?

ICHTHYS: THE CHRISTIAN FISH SYMBOL

Did you know this name -
ICHTHYS is connected
to Dagon and modern
Christianity?

First mention of **Dagon**
("our mighty one")
is found in **Judges 16**.
as their "mighty god."

Is there a
WORLD
system
today
that pays
allegiance
to Dagon?

Have you ever seen an ad like this?

Is there any connection to Dagon?

Is this study all about a Righteous "Fish Fry" or has this story been preserved to include an important reason for our future?

How will this
Study of
Dagon
connect
to:

A belt?

Joseph?

A seed?

SYNCRETISM?

Did you know the worship of Dagon affects people's eating habits? At Lent?

Is this why we see ads like this for "Christian Lent"?

IS THIS the
open mouth
seeking whom
it may devour?

If you have questions about this story ...
