"Lost? Or Discovered!"

2021 Revision

The 3rd Day Calendar Discovery

*One Puzzle
Piece
at a Time*

I **must** be about My
Father's Business.

KJV
Luke
2:49

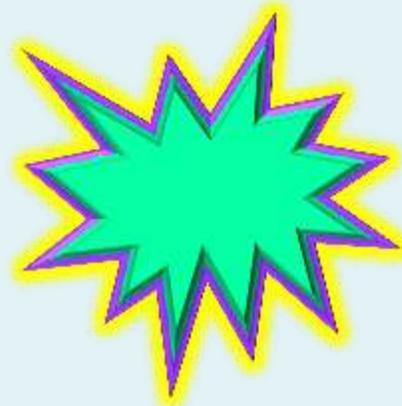

*Question: Is this an
anti-semetic statement?*

By a child of 12 years?

This is the short version of a
very detailed study called
“Yahusha, Lost ... and Discovered at Passover!”

There will be an interesting
“thought-provoking”
comparison between:

1. The Covenant Calendar
Yahusha honoured;
2. **The Lunar-solar Calendar
in use at that time
(Yahusha at age 12) by the
unbelieving Jews.**

Question:

What is a
Covenant
Calendar?

Introduction

- 1) Covenant Calendar is first based on Torah with additional witnesses in the rest of the Old Testament.
- 2) The full and most amazing confirmation to this Covenant Calendar is found in the Gospels with very strong witnesses through Yahusha's life from conception to His gift of the Ruach upon Pentecost/Shavuot of Acts 2.
- 3) Additional confirmation for Covenant Calendar will continue to be found with the disciples, and especially the apostle Paul.
- 4) For this study, exact year dates and festival "days and dating" are easily verified through two sources.

Those two sources are two very different calendars discovered in the Gospels.

Two Very Important Calendars

- The **first calendar** is the **Lunar Based Calendar** of the "unbelieving" Jews, fully verified through the research of Julian Morgenstern, 1935.
- It must be noted both the research of Morgenstern and the Gospel Covenant Calendar demonstrate the Jews were using more than one method of Lunar Calendar reckoning.
- The Gospels are the final witness to verify Morgenstern's research as accurate and correct in every detail.
(This may be of interest to some!)
- The **second calendar** is the **Covenant Calendar** which aligns perfectly with Morgenstern's research AND Yahusha's ministry throughout the four Gospels.
- **Because of this the calendar details in the Gospels can no longer be glossed over.**
- It is time to take very careful note of everything, including any deviation from "one set of wording" to "another set of wording."
- This short study is meant to press you to think outside the box!

Next: Start at the Beginning to Count Yahusha's First 12 Years

At 12, Yahusha, *after three days* – was doing **WHAT?**

Luke will provide **crucial** timing assistance in:

1. determining what year Yahusha was born
2. determining which calendars were being used
3. determining how one can know “who” was following “what” calendar
4. determining where Yahusha’s parents fit into this scenario
5. determining how & why Yahusha challenged His parents

Let’s examine the *“lingo of Luke”* **first!**

The “lingo” of Luke 2 & Calendar

Covenant Lingo

- Vs 21: “Name given by the messenger”
- Vs 22: “according to the Torah”
- Vs 23: “has been written in the Torah”
- Vs 24: “what is said in the Torah”
- Vs 27: “according to the usual practice of the Torah”
- Vs 39: “according to the Torah”

Up to this point Luke specifically recorded Divine Authority through the Covenant Lingo of Torah.

Next: Does Luke deviate from his style in the SAME chapter? And does it matter?

Tradition Lingo

- Vs 41: His parents went to the “Festival of the Passover.”
- Vs 42: When Yahusha was 12 years old, they went up according to “the practice of the festival.”
- Questions:
 1. Why has Luke changed his lingo to generic language such as “**the Festival**” instead of “the Festival according to the Torah”?
 2. Who governed this particular “**practice of the festival**”?
 3. Why was Yahusha discovered in the temple “3 days after” this “**practice of the festival**”? Is He really 12 years old?

Luke 1:41(a) *And it came to be, when Elisheba heard the greeting of Miryam, that The Baby leaped in her womb.*

What important
DIRECT CONNECTION
does this verse have to do with –

Life begins at
conception!

Luke 2:42 And when He was **twelve** years old, they went up to Yerushalayim according to the **practice** of the festival.

In short: Yahusha's conception is the beginning for the count to His age of 12 years for vs 42.

Yochanon's first **12** months of his life **starting at conception!**

Passover in the 1st month of the Covenant Calendar year. (Abib)

Yochanon's Conception is 18 Months prior to CE 1.

This calculation is based upon the angel's announcement to Zacharias as priest at Shavuot.

The 4th Month of **Covenant Calendar**. Remember, Covenant Calendar months are not identical to Gregorian months. Allow for some variation in time span.

Yochanon in his 9th month, was **birthed** here on the 1st month just prior to Passover!

Review

Yochanon **birthed** (at 9 months), here, just before Passover!

Yochanon completed his **first year** here at - 12 months!

Yahusha, being 6 months younger than Yochanon (Luke 1:36), was **birthed** here, in His 9th month, just before Sukkot!

Yahusha **COMPLETED** His 1st year of 12 months – here, in the 9th month of CC!

NOTE: – “Grand Points of Reckoning”
1st - Yochanon’s birth prior to Passover
2nd - **Yahusha’s birth** just BEFORE Sukkot

For Yahusha to be 12 years old in the year CE 12 when He was discovered 3 cycles “later” in the Tabernacle, He **MUST FIRST** be 1 year old, upon **ENTERING** CE 1! This puzzle can only be solved by counting His years from the time of conception, complimented by CE 12!

Yahusha - conceived 12 months before 1 CE, being born near Sukkot, He needed 3 more months TO COMPLETE HIS FIRST YEAR PRIOR TO CE 1!

Local Mean Time

Yahusha was 1 year old, going **INTO** – (or) **ENTERING CE1!**

That means in the **9th month CC**, (end of the first year Gregorian), Yahusha turned 2 years old; and so on and so forth.

In CE 11, at the end of the Gregorian year, Yahusha completed His 12th year.

That means Yahusha was 12 years old at His first recorded Passover.

Special Interest Quote -

In what year was Yahusha born if He was to be 12 years old at Luke's Passover information? 1 BC, or CE1? Does it matter?

See: AD 1 – Wikipedia for the following quote:

- Birth of Jesus [Yahusha], as assigned by Dionysius Exiguus in his anno Domini era according to at least one scholar. **However, most scholars think Dionysius placed the birth of Jesus in the previous year, 1 BC.**

- We will examine only CE 12 to determine **WHY** Yahusha was **INSIDE** the Temple 3 cycles after the feast of the Jews.
- CE 11 and 13 are examined in full detail in the complete study. There you will see why CE 11 or 13 can not qualify to fulfill **Luke 2**, and the **discovery of Yahusha – 3 days after the “practice of the festival” of the Jewish lunar calendar.**

Will the year CE 12 have answers?

Luke 2:49 [at age 12]

And He [Yahusha] said unto them, “How is it that ye sought Me? Wist yet not that I **MUST** be about My Father’s business?”

BINDING??? Could a Statute of Yahuah be described this way?

Some Statutes Yahusha Remembered as BINDING!

Deut 16:16 – Three times a year ALL YOUR MALES APPEAR before יהוה your Elohim **in the place which He chooses ...** [this is attendance for all three Festivals when they begin!]

Remember the **Torah** of Mosheh, My servant which I commanded him in Horeb for all Yisra'el –
Laws and Right-Rulings. Mal 4:4

Luke 2:46

Question: **Could it be** when Yahusha was “LOST” and IN THE TABERNACLE 3 CYCLES **AFTER THE FEAST OF THE JEWS**, was Yahusha actually **“REMEMBERING”** the Torah statutes?

WHY the "MUST" in Yahusha's remark –
I MUST be about My Father's business! -?

WHAT IS – His Father's BUSINESS?
Can we hear - Yahusha's Compelling
Heart felt Conviction?

Binding?!

Which "calendar" was Yahusha "bound to"?
What was the "calendar year" for confirmation?

Why was Yahusha
in the Tabernacle
AFTER the Feast
of the [unbelieving] **Jews?**

At this time in Judah's history, the new month/year was calculated from the crescent moon before the tequfah.

Please note the different colours of the months. March's colour will stay the same as there is no change here. April will reveal two different Passovers – one – **Covenant Calendar Blue**, and one – **Lunar Calendar Beige**. Please notice these differences that reveal two separate calendars for your comparison on the slides to follow.

Next: Comparison of Lunar & Covenant Calendars in 12 CE.
Will this year fulfill all the Gospel Requirements?

Review

The last 3 days of the Lunar Passover

Yahusha's presence in the Tabernacle was 3 days AFTER the completion of the Lunar Feast!

What day was this on Covenant Calendar?

On the 4th cycle of the week, [Wed] in the 1st month of Covenant Calendar

Yahusha was IN the Tabernacle - (by Statute Exo 23:15-17) presenting Himself [age 12] & observing the **High Shabbat of **Unleavened Bread!****

CE 12 is the ONLY Covenant Calendar year that can satisfy these Gospel requirements in conjunction with the Lunar Calendar of the unbelieving Jews.

Luke 2:48 When [Yahusha's] parents saw him, they were shocked. His mother asked him, "Son, why have you treated us like this? Your father and I have been worried sick looking for you!" ISV

What was **Yahusha's** response at being questioned?

Luke 2:49 He asked them, "**Why** were you looking for me?

Did you not know

Yahusha placed His parents "on the stand" for **accountability!**

that I would be
IN the house of my Father?"

Peschitta

The sad part is to consider the state of Yahusha's earthly parents in Luke 2:50.

They did not know!

BUT THEY DID NOT UNDERSTAND

the **Word**

- which He spoke to them. Luke 2:50

The Word (of which Yahusha spoke) preserves **The Covenant**: the **SHANEH** based statutes which Yahusha was **DIRECTLY** being obedient to!

With **Yahusha** speaking these words to His parents, is it possible to understand that **Yahusha** was declaring -

I am observing the Mo-edim of Yahuah's Covenant Calendar; your current practice of the lunar reckoning for the festivals is not from the Torah!

Was a little child leading?

Witnessing? John 7:7

This is just one witness proving the presence of two calendars in the Gospels and the proximity of their closeness in calculations.

There are many more witnesses such as:

1. John 7: Jews' Feast of Tabernacles
2. Yahusha's Passover & the 12 hour OFFSET

The End!

Or, is it the
beginning?!

• This has been a most basic outline
of the life of Yahusha!

• There is

SOOOO MUCH MORE

to go **Coming!!!**
