

# JOSHUA

*The Mini  
Introduction!*

*Removes the Rubble of Tradition!*

? DID YOU KNOW ?

- That Joshua was the "right-hand man" for Moses all through the wilderness experience?
- That Joshua was the appointed leader for Israel for 20 years after Moses died?

# Did You Know?

- That Joshua understood the covenant calendar instructions of Moses?
- That Joshua was the first one to record the experience of the Wavesheaf Festival upon entering into Canaan?

Are the Scriptures accurate?

Are there Scriptural  
characteristics in Joshua's book  
that positively identify  
the Wavesheaf Festival so precise,  
it simply cannot be mistaken?

# Is the Wavesheaf Festival really that Important?

Why?

- How many feast camps have you been to, that remember the Wavesheaf festival?
- How many feast camps actually announce why the Wavesheaf festival is SO important - and what does that have to do with anyone's salvation?

# Which is More Important?

Why?

- What happens if (or when) the 2<sup>nd</sup> Shabbat of Unleavened Bread shares the same date/day with the Wavesheaf festival - which is the 1<sup>st</sup> day of the week?
- Which of these two feasts takes priority if/when these two feasts are together?

# How does the Placement of Wavesheaf Affect Shavuot/Pentecost?

## Why?

- Which calendar declares that Wavesheaf is NOT married to Abib 16?
- How will all of these details affect the placement of Shavuot/Pentecost?

When was the  
last time you read  
the chapters of  
Joshua 1-5  
very carefully?

JOSHUA 2:7

...ave you on this side  
...rising. ...Joshua, saying,  
...us we will do.

Joshua 1:1

**These very important chapters are absolutely necessary to understand how to sort out 3 major counterfeit teachings of:**

1. The Wavesheaf festival being married to the date of Abib 16 & who was responsible for this deception?
2. Adjusting the date on the festal calendar to guarantee certain festivals never share the same day/date with the weekly Shabbat;
3. Many Enoch/Zadok calendars declare the Wavesheaf Festival is to be celebrated after the Passover Festival week.  
(Now where is that found in Torah?)

Would you find it amazing to know that in just a few chapters, Joshua sets the record straight on every counterfeit teaching surrounding:

1. Not only the proper placement of the **Passover celebration ...**
2. But also the proper placement of the **Wavesheaf festival??**

This skeleton is  
a key that has  
something to do with  
the meaning of  
Wavesheaf!?

did  
YOU  
know?

If you want to know  
how to find the answers  
to all these questions,  
and many more, then  
“Come and See” the  
full presentation as  
recorded by Joshua for  
the very 1<sup>st</sup> Wavesheaf.
