

The Cloud's Command of a 3 Yowmim Journey

Numbers 10

**Will the Cloud's action provide
eternal implications upon our
lives for observing - THE WAY?**

*Will the Torah support the teaching of
man's Lunar-Sabbath Calendar?*

➤ *Num 10:11* And it came to be on the twentieth day of the second month, in the second year, that **THE CLOUD** was taken up from above the Dwelling Place of the Witness.

Significance of – **The Cloud**

- *Exo 13:21* And יהוה went before them by day in a column of **CLOUD** to lead the way, and by night in a column of **FIRE** to give them light, so as to go by day and night.
- *Exo 13:22* The column of **CLOUD** did not cease by day, nor the column of **FIRE** by night, before the people.

- 5 ➤ *Exo 40:34* And the **cloud** covered the Tent of Meeting, and the esteem of יהוה [Yahuah] filled the Dwelling Place.
- *Exo 40:35* And Mosheh was not able to come into the Tent of Meeting, because the **cloud** dwelt on it, and the esteem of יהוה [Yahuah] filled the Dwelling Place.
- *Exo 40:36* And when the **cloud** was taken up from above the Dwelling Place, the children of Yisra'el went onward in all their journeys.
- *Exo 40:37* But if the **cloud** was not taken up, then they did not set out till the day that it was taken up.
- *Exo 40:38* For the **cloud** of יהוה [Yahuah] was on the Dwelling Place by day, and **fire** was on it by night, before the eyes of all the house of Yisra'el, **in all their journeys.**

The Cloud - in - Numbers

- ➔ *Num 9:15* And on the day that the Dwelling Place was raised up, the **cloud** covered the Dwelling Place, the Tent of the Witness. From evening until morning it was above the Dwelling Place like the appearance of **fire**.
- ➔ *Num 9:16* Thus it was continually: the **cloud** covered it by day, and the appearance of **fire** by night.
- ➔ *Num 9:17* And whenever the **cloud was taken up from above the Tent, after that the children of Yisra'el would depart.** And in the place where the **cloud** dwelt, there the children of Yisra'el would camp.

- *Num 9:18* At the command of יהוה [Yahuah] the children of Yisra'el departed, and at the command of יהוה [Yahuah] they camped. They remained camped as long as the cloud dwelt above the Dwelling Place.
- 7 ➤ *Num 9:19* Even when the **cloud** lingered many days above the Dwelling Place, the children of Yisra'el guarded the Charge of יהוה [Yahuah], and did not depart.
- *Num 9:20* And so it was, when the **cloud** was above the Dwelling Place a few days: according to the command of יהוה [Yahuah] they camped, and according to the command of יהוה [Yahuah] they would depart.
- *Num 9:21* And so it was, when the **cloud** dwelt only from evening until morning: when the cloud was taken up in the morning, then they departed. Whether by day **or by night**, whenever the **cloud** was taken up, they departed.

- *Num 9:22* Whether two days, or a month, or a year that the **cloud** 8 lingered above the Dwelling Place to dwell upon it, the children of Yisra'el camped, and did not depart. But when **it** was taken up, they departed.

Can we discern from **whom** Yisra'el's authority to journey derived from?

- *Num 9:23* At the command of יהוה [Yahuah] they camped, and at the command of יהוה [Yahuah] they departed. They guarded the Charge of יהוה [Yahuah], at the command of יהוה [Yahuah] by the hand of Mosheh.

Yisra'el's Three Yowm Journey

► **Num 10:33** So they set out from the mountain of יהוה [Yahuah] on **a journey of three days.** And the ark of the covenant of יהוה went before them **for the three days' journey**, to seek out a resting place for them.

Yisra'el's Three Yowm Journey

10

► **Num 10:11** And it came to be on the **TWENTIETH** **DAY** of the second month, in the second year, that **THE CLOUD** was taken up from above the Dwelling Place of the Witness.

Num 10:12 And the children of Yisra'el departed, setting out from the Wilderness of Sinai. And the cloud dwelt *on it* in the Wilderness of Paran.

Num 10:13 Thus they departed **the first time, according to the command of יהוה** [Yahuah] by the hand of Mosheh.

**An important
consideration
before pressing
forward with
the 3 cycles
of travel!**

Recall that **Yahuah** had tested the Hebrew nation, **and** **proven** through the manna week - the seventh day Sabbath. The 7th day Sabbath was a 24 hour cycle of **NO SERVILE WORK**. Note also that after the crossing of the Red Sea, they **RESTED** on the 7th day Sabbath.

Question #1
Will Yahuah
lead out the
nation to
travel during
a 7th day
Sabbath?

12

Question #**2** - Upon which cycles of the month
are the lunar Sabbaths to occur?

Is it not professed that **their Sabbaths** are on the
8th, **15th**, **22nd**, and **29th** of their lunar months?

Note: A Lunar based Sabbath requirement is that a 7th day Sabbath is on the **22nd** of **EVERY MONTH!**

The lunar based month that claim Sabbaths on the **8th**, **15th**, **22nd**, and **29th** of the month is a **LOCKED** calendar. It does not fluctuate nor change.

13

With this in mind, let's get back to ***Num 10:11.***

➡ **Num 10:11** And it came to be on the **TWENTIETH DAY** of the second month, in the second year, that **THE CLOUD** was taken up from above the Dwelling Place of the Witness.

Please note what cycle of the month it was when **Yahuah** commanded, by the **cloud**, that the Hebrew nation needed to relocate to a better resting point.

It was the **TWENTIETH DAY** of the month, when **Yahuah** decided the Hebrew nation must travel.

Let's look at it!

Num 10:11 And it came to be on the **twentieth day** of the second month, in the second year, that the cloud was taken up from above the Dwelling Place of the Witness.

Num 10:12 And the children of Yisra'el departed, setting out from the Wilderness of Sinai. And the cloud dwelt *on it* in the Wilderness of Paran.

Num 10:13 **Thus they departed the first time, according to the command of יהוה [Yahuah]** by the hand of Mosheh.

Since this type of lunar Sabbath calendar is locked, that means **each month is duplicated exactly the same** – **and** - it matters not what number the month is!

The Lunar based Sabbath - month.

Lunar based Sabbaths.

Lunar Preparation day.

➡ **Num 10:11** And it came to be on the **TWENTIETH DAY** of the second month, in the second year, that **THE CLOUD** was taken up from above the Dwelling Place of the Witness.

Num 10:33 So they set out from the mountain of יהוה [Yahuah] on a **journey of three days.** And the ark of the covenant of יהוה [Yahuah] went before them for the **three days' journey,** to seek out a resting place for them.

➡ “Journey of Three Days”! Why did Yahuah cause the Yisra’elites to travel through a Preparation day and on through a 7th day Sabbath?

Lunar based Sabbath.

Why would Yahuah by-pass a Preparation cycle to set up camp, but instead **continued to travel** on a 7th day Sabbath?
 What about *Malachi 3:6* For I am Yahuah, I shall not change! ...

On the Manna Week test,
(the year before),
the children of Yisra'el
were taught by Yahuah,
to be **PREPARED** on the
Preparation cycle, to
facilitate a **REST** period
on the 7th day Sabbath.

Did not Yahuah have the children of Yisra'el **PREPARED**
through the Red Sea **Preparation** night for **salvation**,
(from the Mitsrites), so at Dawn they could **REST** on the
7th day Sabbath? We simply cannot forget –

Exo 20:8 “Remember the Sabbath day, to set it apart.

Exo 20:9 “Six days you labour, and shall do all your work,

Exo 20:10 but the seventh day is a Sabbath of יהוה [Yahuah] your Elohim. You do not do any work – you, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your cattle, nor your stranger who is within your gates.

Exo 20:11 “For in six days יהוה [Yahuah] made the heavens and the earth, the sea, and all that is in them, and rested the seventh day. Therefore יהוה [Yahuah] blessed the Sabbath day and - set it apart.”

➡ Why would **Yahuah** go against His **Qodesh Pattern** and cause the Yisra'elites to travel needlessly on a 7th day Sabbath?

Why did **Yahuah** not take the opportunity to have the Yisra'elites camp on the Preparation cycle to facilitate a **REST** on the 7th day Sabbath?

➡ Did **Yahuah** not realize that to travel and **set up camp** on the third cycle of the **journey** was a LOT OF SERVILE WORK?

Maybe this lunar month was an exception to the rules of the pagan system of worship?

➡ Maybe the lunar system
of worship is
NOT SCRIPTURAL?

Lunar based Sabbath.

Isa 1:14 “My being **HATES** your New Moons and
your appointed times, they are a trouble to Me,
I am weary of bearing them.

Isa 1:15 “And when you spread out your hands, I hide My eyes from you; even though you make many prayers, I do not hear. Your hands have become filled with blood.

16 “Wash yourselves, make yourselves clean; put away the evil of your doings from before My eyes. **Stop doing evil!**

Reviewing ~ Man's Lunar Sabbath?

29

2nd Year (2nd month - Wilderness)

Did **Yahuah** cause His people to journey on the **LUNAR** Sabbath? What about the Manna week theology of no servile work on the Shabbat? Does it become null and void now? **“ANOTHER EXCEPTION”?**

The intent was to find a resting place. Did the “rest” come in the **midst** of the 3 cycle journey? Does the word – **journey** – have the same meaning as – **rest (SHABBAT)**? Was it actually only a 2 cycle journey with a **rest** in between?

Review ~ A Shabbat Rest, or a Rest Location?

30

No! The Hebrew word translated as – rest – in this verse is – H4496 Menuwchah – a resting PLACE! **Not a rest as in a Shabbat!** The people of the Hebrew nation were journeying on a normal week cycle, the 22nd of the 2nd month!
