Repairing a Breach!

Yahuah's End Time Message from Genesis 1:1-5

Getting Started

Note:

- These studies try to refrain from using the word “day” that has been translated from the original Hebrew word <yowm>.
- The word “day” loses a massive amount of definitive correctness in its ambiguous definitions.
- Day can indicate 12 **or** 24 hours, day **or** night, **or** both!

To understand Scripture correctly we need to be much more accurate.
Preference is given to the word “**cycle**” in place of the word ***day***.
When quoting the Scriptures or citing the Shabbat **Day** you will see it.
Otherwise **cycle** is the word of choice.

The 24 hour **cycle** will be *defined* below to pinpoint the **two seasons**.

1. **Cycle** = 24 hours containing the 2 seasons, one of **light** – H216 <**’owr**> and one of **night** – H3915 <**layil**>.
2. **Season** H6256 - <**`eth**>, = (approx.) 12 Hour blocks of time whether it is the **Light Season or Night Season.**

A very important application example of “**season**” **is** found in **Yerimyahu** (Jer) **33:20-25.**

Gen 1:1 In the beginning Yahuah created the Heaven and the earth.

Question:
Would not the very first verse in the Scriptures be important? Yes, it should be, but how many people just discount this verse as only a "**Heading of Introduction**" not realizing the impact of what these few simple words are actually saying!

- Gen 1:1 is detailed in - ***Creation's Curtain Call.***
- Statement for Gen 1:1 - This verse is covered in Creation's Sequences study.
  For this study, we understand that –
  Everything needed for the building and forming of this earth, UP UNTIL CYCLE #5 , was fully created at the beginning of cycle #1, instantly, upon the voice of Yahusha Ha Mashiach (Elohim).
  The **forming** of the base elements proceeded in cycles 2, 3 & 4.
  Then, upon cycle #5, actual creation of living, breathing life, commenced.

of "The ARTIST" is
the HEART of this study.

FOCAL POINT

How many "ARTISTS"
are recorded within the
FIRST 2 VERSES OF
Genesis 1?

A Tav, connected to a person is a Sign, SIGNATURE, and Seal of, and through, that character.

When the Tav is directly connected to the - Aleph-Tav - את Yahusha Ha Mashiach, (see Gen 1:1) it reflects His Character.

The **ALEPH-TAV** as seen here, are very appropriately placed over the **CYCLICAL RINGS OF LIFE** on a tree.

Aleph-Tav - the Beginning and the End.

The **Absolute Authority** over everything known to man.

When a Tav is directly connected to a human, it reflects his character. Yahuah installed a Tav, a MARK (a recognition SIGN) and SEALED it to Cain to preserve his life while on this earth. (H226 - Auth)

Gen 4:15 And the Yahuah said unto him, Therefore whosoever slayeth Cain, vengeance shall be taken on him sevenfold. And the Yahuah set a **mark** upon Cain, lest any finding him should kill him.

A MISSING COMPONENT?

Was a SIGNATURE "purposely removed?"

As we progress through this study, focus on this question:

What ultimate purpose would it serve to remove the Tav from Genesis 1:2 - H1961 EIT HE?

In this study, you will see saan written as such, and the “T” referenced as a Tav. This is referencing the CHARACTER SIGNATURE TRAIT and/or SEAL, and, by which the adversary can be **POSITIVELY** identified.

It is **NOT** declaring a Tav letter in SPELLING the name of the evil one. For that is but an

all encompassing “Tet!” ט

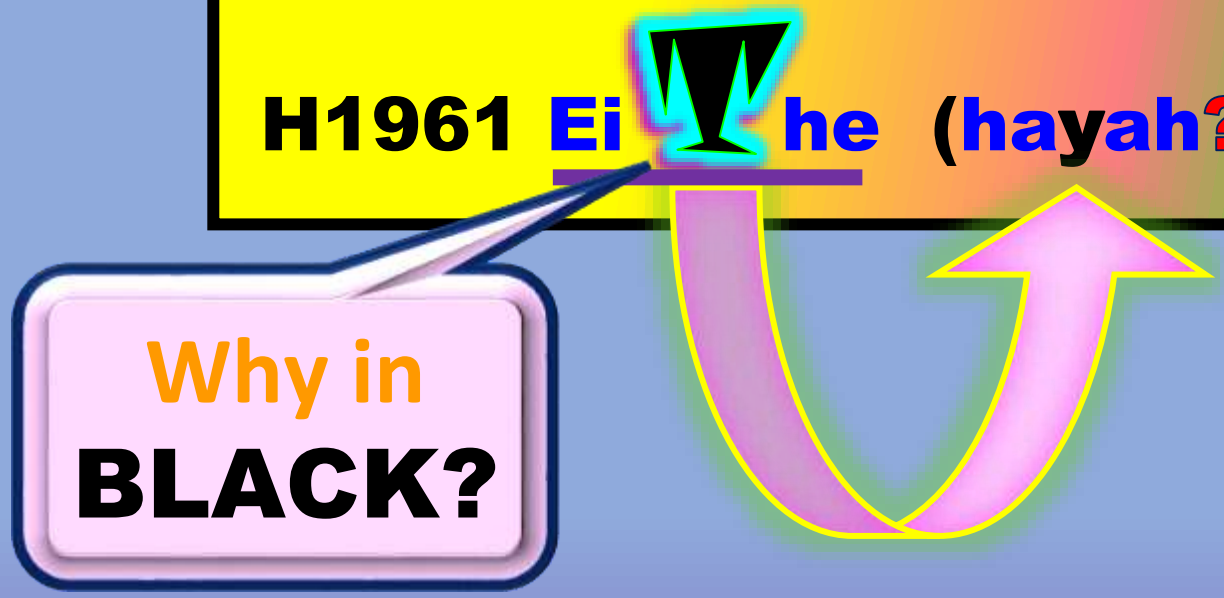

Why an Artist Signature is Important

Regardless of the medium, an artist's signature is a vital conclusion to their work. All artists should sign their compositions, so if you're an artist who doesn't consistently sign your pieces, now is the time to start.

A signature on a piece of art, first and foremost, is a marker identifying your work as your own. Signatures can even help paintings, drawings, and other forms of fine art to increase in value over time. As an artist grows in popularity, their signature becomes more and more valuable.

Signatures also tie bodies of work together. Even disjointed, separate sets of work can have a sense of cohesion when one consistent signature is used for them all.

Now we need to verify the meaning given for this word.

In Genesis 1:2; is - **Came to be** – correct?

Or will the **Character of Yahuah** – reveal – **was** – is the proper translation??

WHY were one of these definitions not chosen for Gen 1:2?
In REALITY, WHO was directing the choosing?
Was CONTEXT overlooked?

- Yet even in the verse where **Yahuah claims who He is, His** actual Being of Existence, (Exo 3:14) the Hebrew letter **Tav, - His SIGNATURE OF EVERLASTING** - is not present in the Hebrew word H1961 – **for this specific location!!**

The questions are:

- Why is this even coming to the table for discussion?
- Is this even worth discussing?
- Or is it a "non"-issue?

The **REAL QUESTION** now becomes –

What is the SIGNIFICANCE (Hebrew definition /meaning) of the - Tav, as seen in Gen 1:2?

We will be looking at this shortly.

יהושע - Yahusha

Artist & Author of Creation

Point To Ponder: Did Vincent Van Gogh and Leonardo Da Vinci have the same style of painting? Is it even possible to distinguish between them, who created the paintings?

Is it safe to declare that each one had their very own unique and very distinguished style?

Shall we consider this?

יהושע - Yahusha

Tav

ת

John 8:12 Therefore יהושע (Yahusha) spoke to them again, saying, **"I am the LIGHT of the world**. He who follows Me shall by no means walk in darkness, but possess the **LIGHT OF LIFE**."

Is it even remotely possible that this statement provides a clue to Yahusha's character, the Covenant Signature (of The Artist) found imbedded in the TAV? The Tav?

What about the *TAV* that has been *PURPOSELY SET ASIDE and HIDDEN* from unsuspecting eyes?

יהושע - Yahusha

Could this actually be His Tav Signature? ת

Yahusha has proclaimed He is the

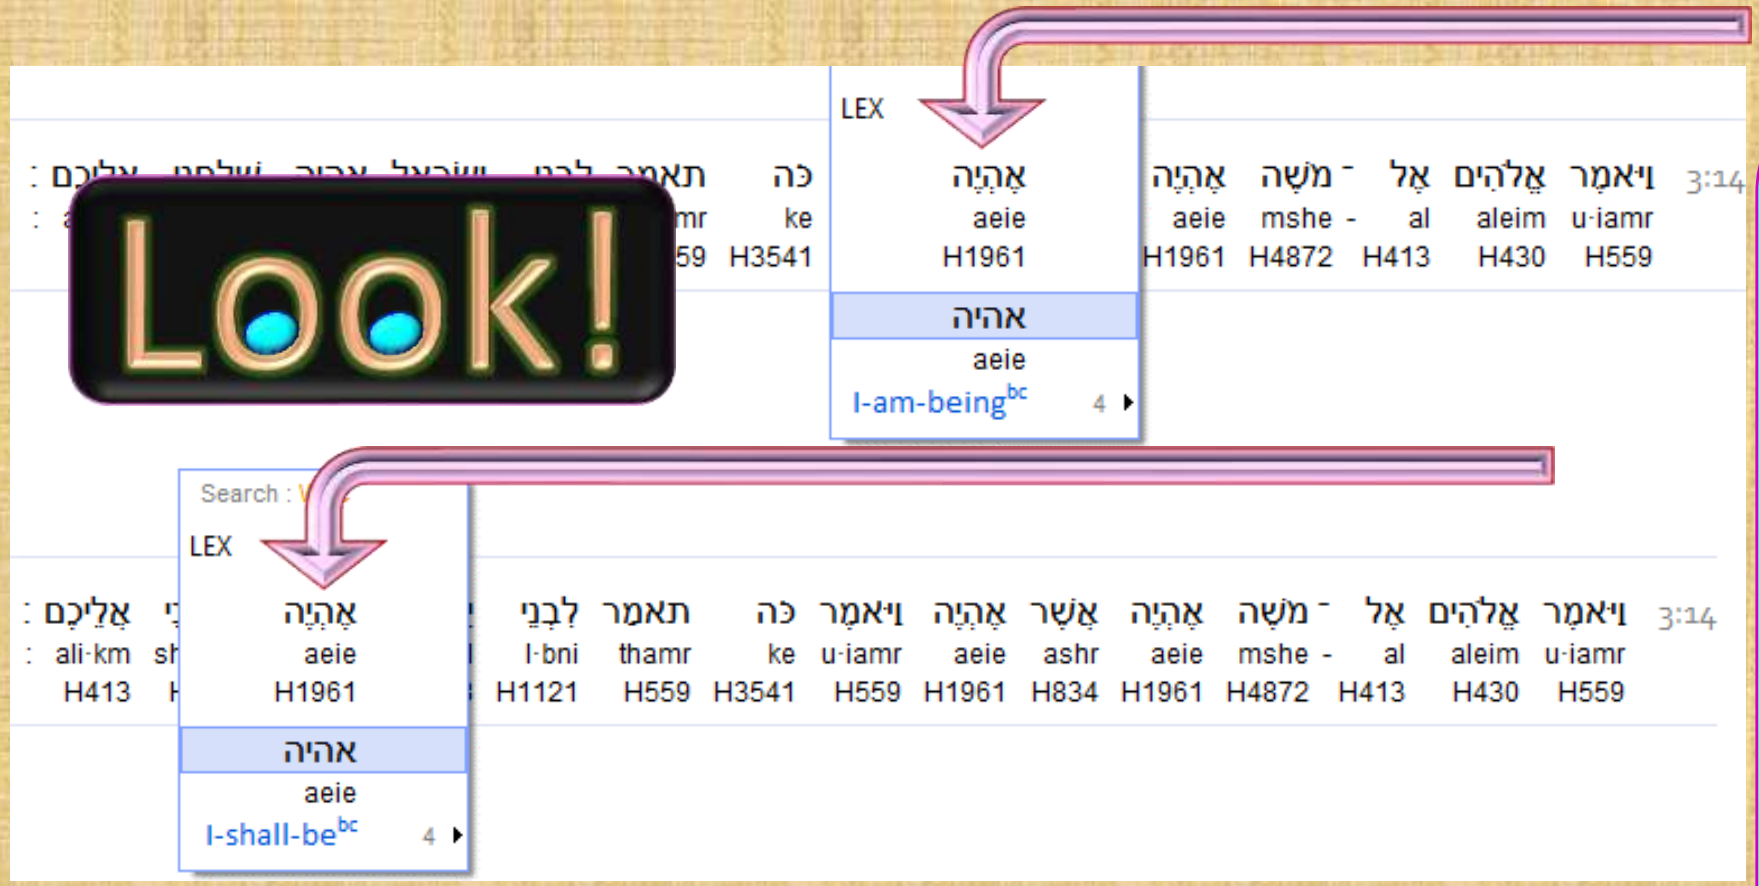

LIGHT of LIFE!

Then along comes Isa 45:18, where Yahusha declares He created this earth to be **INHABITED (SUPPORTING LIFE)!**

When man declares earth was created in DARKNESS, CHAOS AND VOID, are we able to realize the **DISCONNECT** here?

Or, are we "OK" with **DARKNESS, CHAOS AND VOID SUPPORTING LIFE** from a **PERFECT CREATOR** who IS - LIGHT?

For comparison, this is Exodus 3:14. The Stone Edition Tanach and the Interlinear Scripture Analyzer do **NOT** show a **Tav** in this verse either!

Yet it is still deemed as - H1961!

Exo 3:14 And Elohim said to Mosheh, "I am that which I am."[1] And He said, "Thus you shall say to the children of Yisra'ĕl, 'I am has sent me to you.' "

Footnote: [1]The Hebrew text reads: 'eyeh 'asher 'eyeh, the word 'eyeh being derived from hayah which means to be, to exist, but the Aramaic text here in v. 14 reads: ayah ashar ayah. This is not His Name, but it is an explanation that leads up to the revelation of His Name in v. 15, namely: יהוה.

What is the importance of a **Tav** in this

We have briefly looked at the points where the **Tav** is found in one profound verse, and is not realized in another VERY PROFOUND verse , but is deemed the same word – **H1961**!

HHHHMMMM!

For the next few verses, we will be looking at the type of creation established at the beginning, by Yahuah.

We will be returning back to the importance of the "REJECTED" HEBREW LETTER!

In what STATE was earth ORIGINALLY ESTABLISHED?

Isa 45:18 For thus said יהוה [Yahuah] **Creator of the heavens,** He is Elohim, Former of earth and its Maker, **He established it...**

Note the terminology. Earth was **ESTABLISHED.** Established, shows a **Life Supporting Completed Action.** If the Hebrew word showed an incomplete format, that would expose an unprepared, faulty character trait . That would be nothing short of BLASPHEMY by Yahuah, to His own Name! !!!

OWR - Light Season

How do we know the **OWR** was **already ESTABLISHED before the first ereb** (evening?)

The first **Hebrew word** of **Genesis 1:1** tells us that light was established **before** the darkness. **HOW? Keep tuned!**

ARE YOU READY FOR THE JOURNEY?

Again: Yes, the **Tav** is the 3rd Hebrew letter in this H1961 word!

Let's look at another witness. ☺

#6 The Contemporary Torah, JPS

Yes the Tav is recorded here too!

In total, we have seen **6 witnesses** to the Tav being within the H1961 Hebrew word of the second verse.

Shouldn't we be questioning this with every sinew in our body?

KJV Translation Count — Total: 75x

The KJV translates Strong's H1961 in the following manner:
was, come to pass, came, has been, were happened, become, pertained, better for thee.

Outline of Biblical Usage [?]

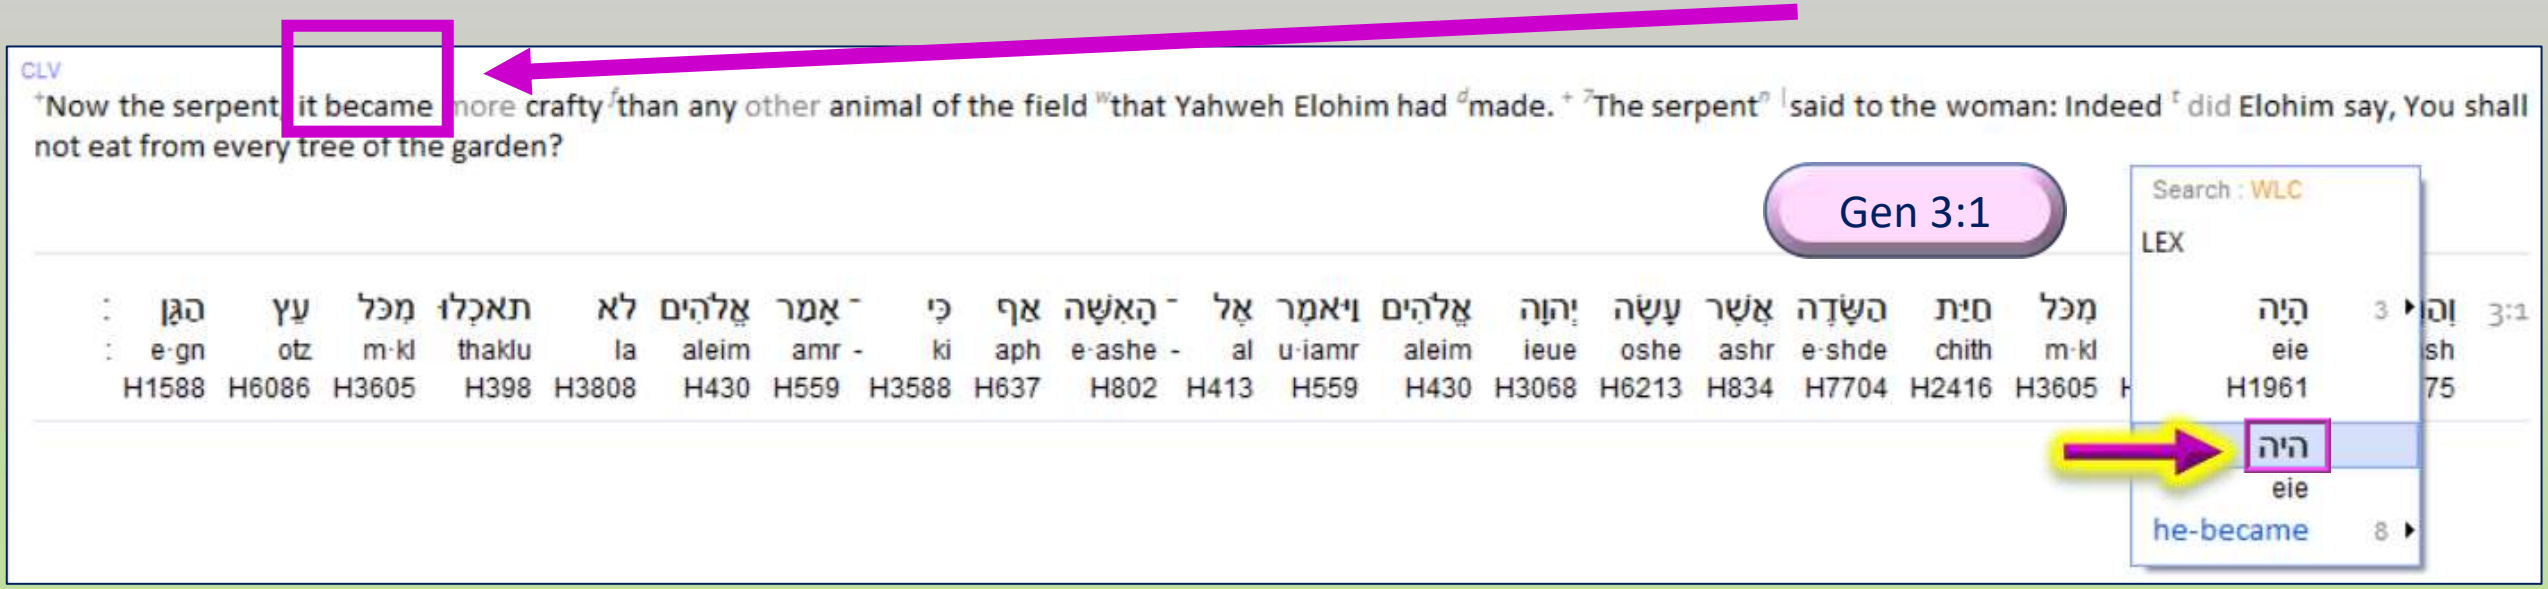

I. to be, become, come to pass, exist, happen, fall out
  A. (Qal)
    i. —
      a. to happen, fall out, occur, take place, come about, come to pass

Why then are we given this to simply accept without question?

Was ??

Where's the Vav?

What **DIFFERENCE** does it make – if any?

Speaking into the state of the serpent,
H1961 does NOT have a Tav in the word.
Yet **it is** translated as covering a **TRANSITIONAL** time span.

Why not a ***PERIOD OF TRANSFORMATION*** in Genesis 1:**2**? **??**

AGAIN:

Why not - a ***PERIOD OF TRANSFORMATION*** in - Genesis 1:2? ??

Who would be delighted for us to believe that Yahusha created a locale for His children, "TO BE INHABITED" in absolute chaos, vacancy, darkness and evil contamination? An utter creative disaster and FAILURE?

If this **contemptable identity** could not permanently destroy creation on the 1st cycle, what is to keep him from **DESTROYING OUR BELIEF** IN **YAHUSHA** AND **HIS CREATIVE CAPABILITY**, **LATER**, - in Genesis 1:1-2? Selah

And he [sa]added: Blessed be Yahweh, the Elohim of Shem, and let Canaan become a slave for him.

Again - <u>H1961</u> does <u>NOT</u> have a Tav in the word. Yet it is **<u>once again</u>** translated as covering a **TRANSITIONAL** time span.

We have viewed H1961 in texts without the Tav and specifically Genesis 1:2 – WITH THE TAV.

We understand the Tav has a very specific meaning.

What benefit will the Tav meaning possibly supply to Genesis 1:2?

Even much more important –

What identity CHALLENGE of EXTREME IMPORTANCE would be LOST in Genesis 1:2 when the Tav of H1961 is deleted?
