Tav Tampering!

Questions for you about Gen 1:2[a]!
Why does it seem that the Tav has been "dropped"?
Is there something to be gained by removing a simple Tav?

In our search today, will the Tav reveal 2 characters – 1 Qodesh, & 1 not Qodesh??

REVIEW

Tav – a Mark,
a Sign,
a Seal,
a Covenant &
a **SIGNATURE!**

Consider the **Aleph -Tav** as seen in verse 1.

Is it remotely possible that Yahuah impregnated His SIGNATURE & HIS CHARACTER on His Created Product named – Eretz (Earth) when Elohim SPOKE it into immediate existence? (Gen 1:1 & Isa 48:3)

What artist does not imprint their CHARACTER SIGNATURE on their product, whatever it may be?

THIS STUDY ON THE 1ST CYCLE OF CREATION STILL QUESTIONS THE WORD → WAS (FOUND IN) GEN 1:2.

Genesis 1:2a in the KJV reads: And the earth WAS [H1961] without form, and void; and darkness was upon the face of the deep.

How does - WAS - OPPOSE the profound implications of ת?

Why does H1961 have so many variations?

Considering the Heh Tav ROOT word!

As this study is understood today -

A **Sign** of oneself is an observable commitment to that type of marker.
That is Covenant.

A **Seal** is a physical portrayal of commitment in absolute. *That is Covenant.*

A **Mark** is a visual or spiritual indication of the character and type, or person in certain terms. *That is Covenant.*

A **Signature** is a **Sign,** a **Seal** and a **Mark** that **perfectly reveals** a commitment to a determined lifestyle. *That is Covenant.*

Now, on each sentence, place *Covenant* first. It is our understanding that the **Heh Tav ROOT,** is all of the above and when certain context is required, **prefixes and suffixes are supplied for the appropriate context.**

This is the perspective today for this study. ***FORWARD HO!*** ☺

What is so special about the 22nd letter of the Aleph-Bet, the - Tav?

When Qayin slew Abel in anger, **Yahuah** applied very appropriate severe consequences. Qayin voiced his concern for his own well being. **Yahuah**, out of *Grace*, applied **Mercy,** and provided a life saving **MARK, SIGN, SIGNATURE** and /or **OWTH,** on the head of Qayin. In reality it was a **SALVATIONAL MARK - LIFE.** It would serve to **preserve Cain's life** (on this earth). Note the **Tav** in the H226 Hebrew word seen above, *and also see,* the **Tav** is directly connected to the **Aleph,** by the **Vav.**

Here is a look at **Tav**, from Jeff Benner's vantage point. Mr. Benner also expressly reveals the concept of the **Tav** to be an identifying **SIGNATURE**.

Question:

Where is the **FIRST** location of the **Tav** found in the Scriptures?

History & Reconstruction

The Ancient picture + is a type of "mark," probably of two sticks crossed to mark a place, similar to the Egyptian hieroglyph 𓏲, a picture of two crossed sticks. This letter has the meanings of "mark," "sign" and "signature."

The Modern Hebrew, Arabic and Greek names for this letter is *tav* (or *taw*), a Hebrew word meaning, "mark." Hebrew, Greek and Arabic agree that the sound for this letter is "t."

The early pictograph + evolved into × in the Middle Semitic script and continued to evolve into 𐤕 in the Late Semitic Script. From the middle Semitic script is derived the Modern Hebrew ת) . The Early Semitic script is the origin of the Greek and the Latin T.

"PosiTav" Identification of the "Two Stones" of Yisra'el

The command to Mosheh was for an engraver of stones to create **two** onyx stones to be fashioned with all the names of the tribes of Yisra'el engraved on them. Engraved, 6 names on each **STONE**. This was to reveal a covenant of those who represented Yisra'el for as long as this earth exists.

These TWO signature (Tav) stones were for the shoulders of Aharon.

The TWO ENGRAVED STONES, with the **12** names of Yisra'el on them were for a ***sign,*** a SEALED MARK, of *A* DIRECT COVENANTED CONNECTION **to** Yahuah.

Chet = that which surrounds, **contains,** supports and distinguishes, a sheep's fold, sanctuary and/or a home.

Tav = Sign, Seal, Mark, & COVENANT (identification)

Mem = incubator of **consistent frequency,** mikvah.

The ***two stones*** were a physical revelation & **reminder** of **Yahuah's covenant** to provide life's essentials, both physical and spiritual, **consistently,** for Yisra'el.

Why were these two stones with 12 names, *for the shoulder garment*?

Aharon and his lineage were to bear the brunt of responsibility (symbolically on their shoulders) to represent the tribes, before Yahuah!

Let's progress to the 12 **individual,** SEPARATED STONES.

#4 Exo 28:17-20

Note: different versions of Scripture vary in the individual names of the "12 Stones."

Next came the command to Mosheh to create a **breast plate** for Aharon. It contained **sardius, topas, carbuncle, emerald, sapphire, diamond, ligure, agate, amethyst, beryl, onyx and jasper.**

Each tribe had a **UNIQUE** stone which visually reminded the viewer of each **individual tribe identity!** No stone was to be alike. **Individual appearance, and responsibility.**

Exo 28:21

28:21 וְהָא… iim H68

Each stone was designed to identify, and distinguish!

An **INDIVIDUAL MARK - (Tav) - A SIGNATURE!**

The process of character refinement is portrayed in STONE!

Through a PROGRESSION OF WORK AUTHORIZED BY YAH, each tribal STONE (read character identity), would be Transformed & shall become an identity ACCEPTABLE TO Yahuah. The stone's transformation took days. The character takes eons! Still being refined even today!

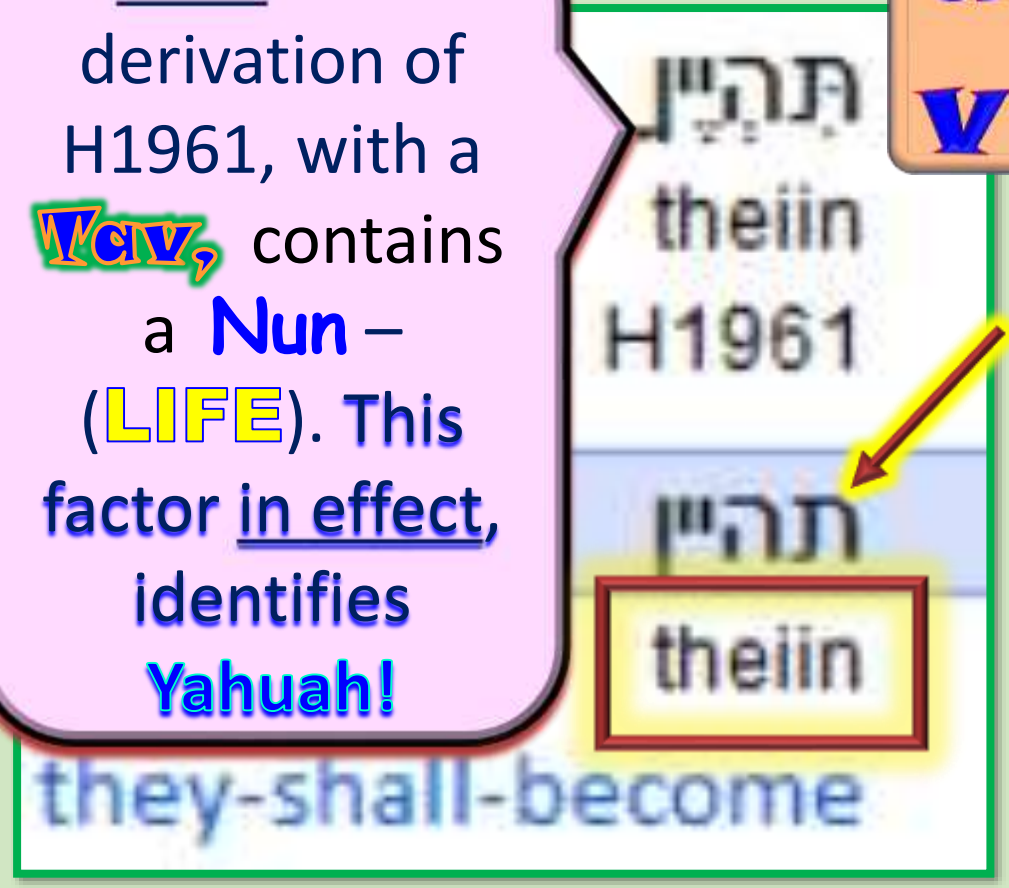

Exo 28:21

Transformed!

Bearing the "Brun Tav" Exo 28:21

Note: This derivation of H1961, with a **Tav**, contains a **Nun** – (**LIFE**). This factor in effect, identifies **Yahuah!**

Note the Tav starting the Hebrew word – theiin!

Each NORMAL stone underwent a Covenanted TransformaTion to represent the collective NAME of Yisra'el!

"Yahuah" placed the "seal."
It is "His" signature
to be found in that Tav.

What is similar to H1961 as found in Gen 1:2[a], in comparison to H1961 in Exo 28:21?

H1961 H1961

Why then is there a transformation here, yet NOT found in many study sources for Genesis 1:2[a]?

<eithe> <theiin>

Exo 28:21

"PosiTav" Transformation for Yisra'el's 12 Tribes

Again, as with the first two stones, these 12 stones had to be **transformed from one state of existence, into a covenant commanded state as instructed by Yahuah.**

These stones were to be

UNIQUE SIGNATURE stones!

A visually distinguishing representation of each individual tribe!

H1961 "theiin" (as "shall become") is an ordained transformation from Yahuah.

How do we POSITIVELY know from Hebrew, this transformation was ordained by **Yahuah?**

Exo 28:21

"Theiin" as H1961 reveals a TRANSITIONAL event!
Why was "theiin" not written in Gen 1:2 instead of –
HAYATAH?

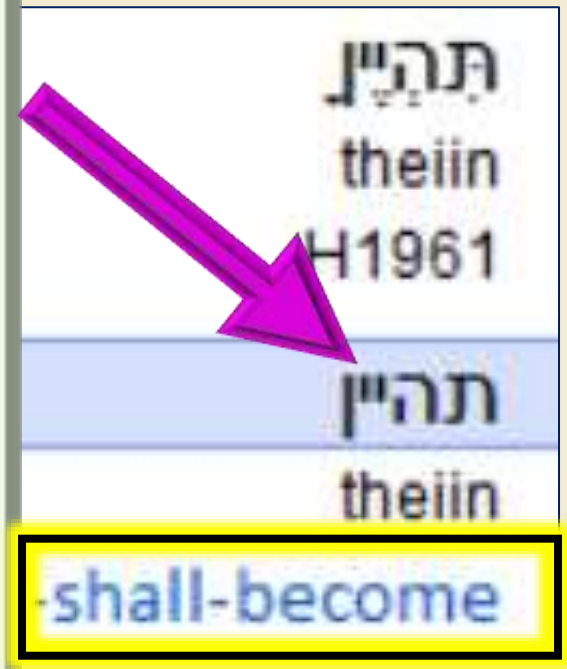

Observe the two Yod letters.

These letters positively identify - the WORKS OF YAH,
as facilitated by - the HAND OF YAH …

This word, if used in Gen 1:2[a] would plant
a brutal reality in opposition to
Yahuah's Thumim (perfect) Character!

How could this be?

Was it Yahuah that transformed the
perfect creation intended to support LIFE,
into a desolate waste of chaos, vacancy
and contamination that can only EXPOSE

DEATH, A DARK TAV?

A covenant (SIGNATURE) with Death?

This was nothing short of a SIGNed Contract with DEATH from THE ADVERSARY!

The Hebrew letters

(Bible Hub) Gen 1:2a H1961

<hayetah>

rightfully includes the Tav, clearly indicating EXACTLY WHO assaulted Yahuah's perfect creation [of vs 1]!

Strong's H1961 <hayah>

Deletes the Tav to remove the signature of the Adversary!

CONTEXTUALLY, there is transformation in the H1961 of Gen 1:2[a]!

KJV

Both editions recognize H1961.

The Scriptures

WAS

BUT one edition negates the Transformation factor **AND**, removes the Tav!

Came to be

H1961 <hayah>

Could "WAS" indicate DARKNESS REIGNED FIRST??

H1961 <hayetah>

There is a brilliantly clear reason why the Ruach Ha Qodesh inspired Mosheh to feature the highly specific word HAYAT AH in Genesis 1:2[a] *[as retained in Bible Hub & ISA].*

Yahuah desires us to understand – LIGHT WAS ESTABLISHED FIRST [vs 1], AND, IT WAS THE EVIL ASSAULT OF SATAN THAT IMPOSED THE CHAOS & VACANCY (Tohu/Bohu), within Choshek (darkness).

This is the reason the Tav in HayaTah, of Gen 1:2[a], must be preserved as Yahuah intended for full clarity of character identification and resulting events.

Let's continue -

Exo 28:21

The stones, they shall **come to be** twelve **with their names** according to the stones of the sons of Israel; as the engravings of **a seal**, each with **its name** shall they **come to be for the twelve tribes.**

Yehudah established his **SIGNATURE** **(DNA characteristic)** within Tamar. Please note the presence of the **Tav** in this word!

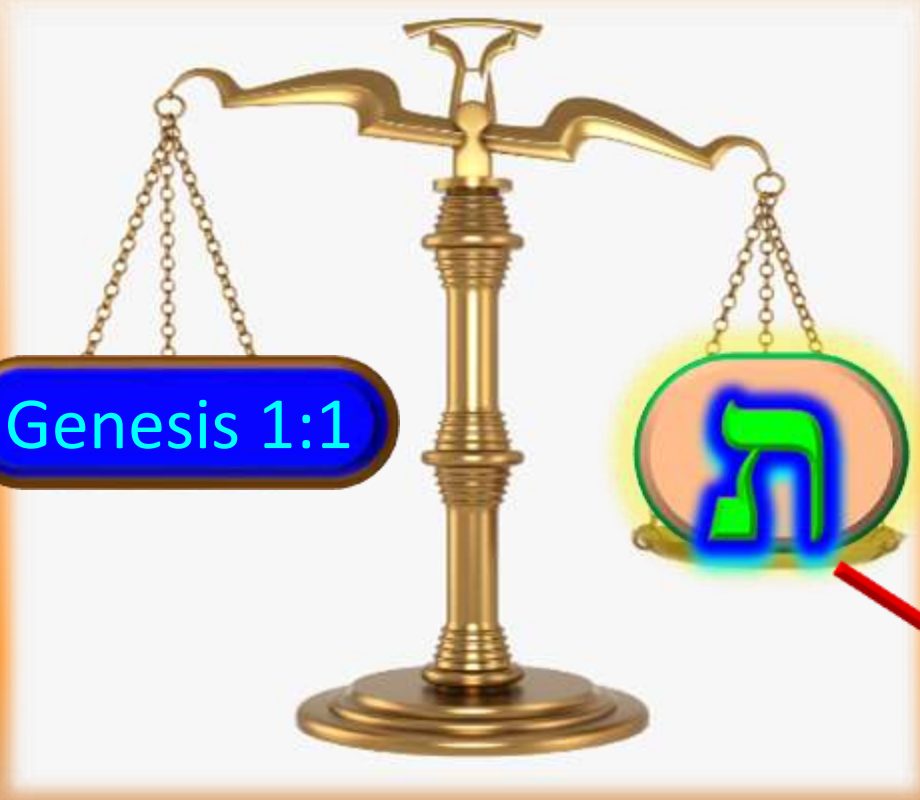

Genesis 38:24

- Gen 38:24 And it came to be, about three months after, that Yehuḏah was informed, saying, “Tamar your daughter-in-law has whored, and see, she has conceived by whoring.” And Yehuḏah said, “Bring her out and let her **be burned!**”
- :25 When she was brought out, she sent to her father-in-law, saying, **“BY THE MAN TO WHOM THESE BELONG,** I am pregnant.” And she said, “Please examine **whose these are:** the **seal** and the cord and the staff.”

#6 Genesis 38:26

- :26 And Yehuḏah examined and said,

“SHE HAS BEEN MORE RIGHTEOUS THAN I,

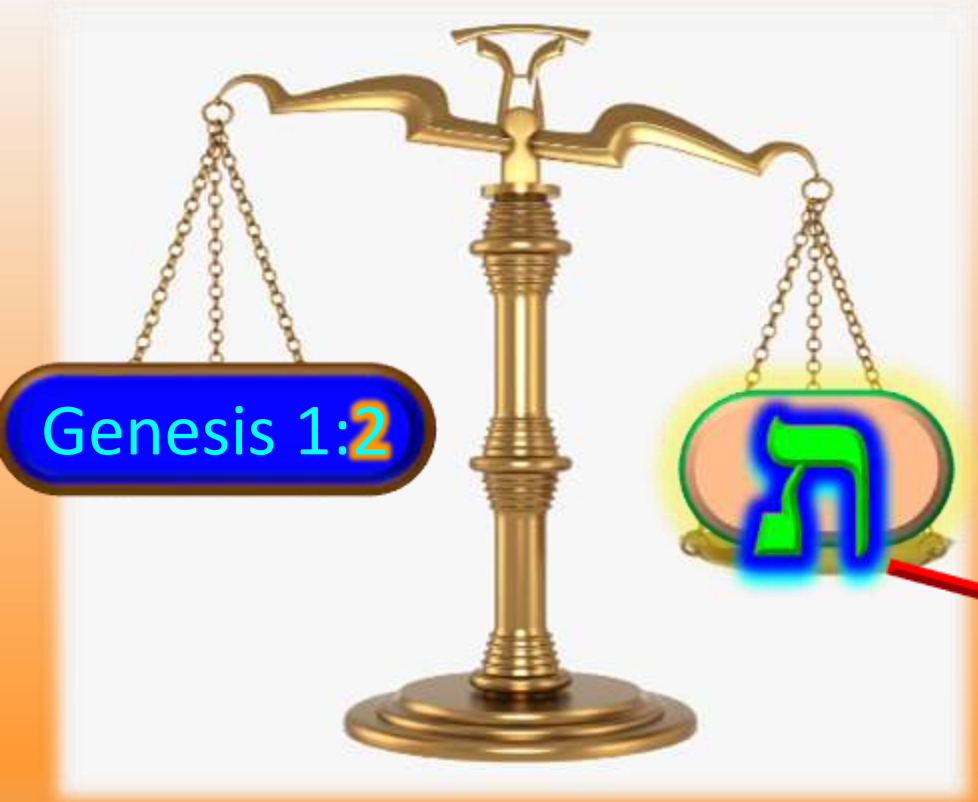

because I did not give her to Shĕlah my son.” And he never knew her again.

Remember the **Tav**s in Genesis 1:1?

Are they anything LESS?

- Clearly, Yehuḏah knew the weigh **TAV** that his seal, chord and staff had provided. It was - “Posi**Tav**” identification!
- Note also that the word for chord, (a “*twist*”), also contains a **Tav!**

Tamar demanded a surety from Yehudah in lieu of service provided without immediate payment.
Scripture records Yehudah provided Tamar with extremely explicit personal identification: A **Seal,** a **Chord** and his **Staff.**
So let's relate here a bit – Yehudah provided
(in equal comparable importance)
his Drivers License, Social Insurance Number and his Passport. ☺
Each item can be considered, **through the Heh Tav root letters,** a Sign, a Seal, a Mark and a Covenant through revealing a personal LIFESTYLE COMMITMENT OF CHARACTER.
In Genesis 1:1 & 2, through the Tavs, can we recognize the same positive identification process and surety of either LIFE (in v:1), **or DEATH** (in v:2)**? Or are they there for decoration?**

This whole exercise is to investigate if a specific CHARACTER **SIGNATURE** [Sign] will be EXPOSED in Gen 1:2[a]?

#7

Judgment?!

Exo 28:29 "And Aharon shall bear the names of the sons of Yisra'ĕl on the **breastplate** of **Right-Ruling** over his heart, when he goes into the set-apart place, for a **remembrance** before יהוה [Yahuah], continually.

Whose **two** stones revealed the verdict in final **Judgment?**

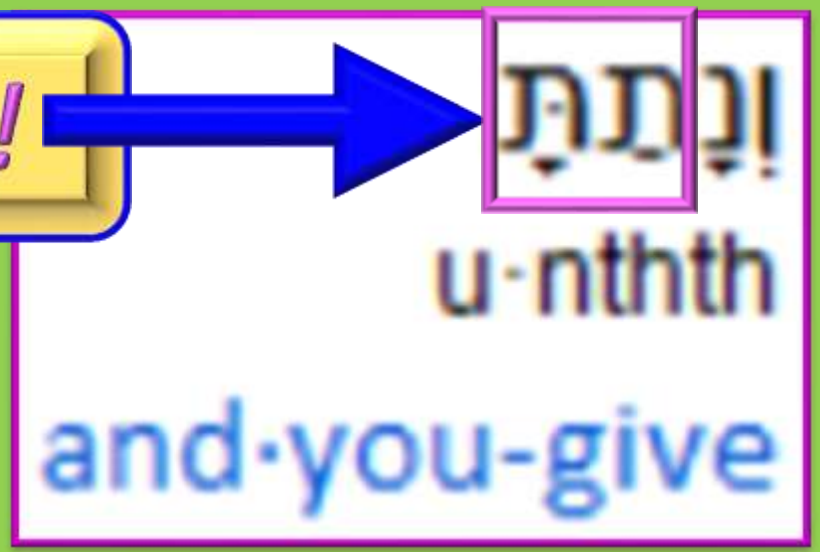

Urim (Light)

Thumim (Perfection)

Exo 28:30

Double Tavs!

Exo 28:30 And **thou shalt put in** the breastplate of judgment the **Urim** and the **Thummim;** and they shall be upon Aaron's heart, when he goeth in before the YHVH; and Aaron shall bear the judgment of the children of Israel upon his heart before the YHVH continually.

Two Tavs! Does that give an indication of importance?
A very serious Covenant from Yahuah?

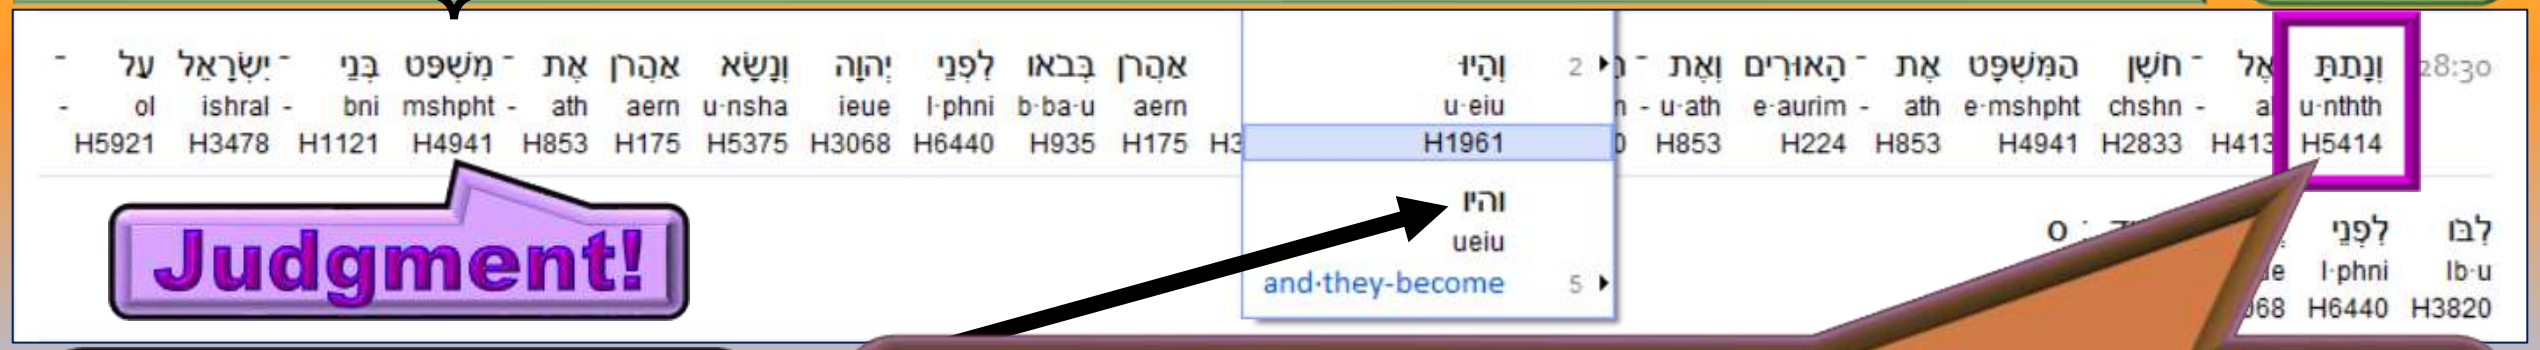

Then, note the Nun letter – that is the promulgation of LIFE!

The Breastplate

H1961 Heh Yod Vav - "they become," (in terms of the Urim & Tumim), does not have a Tav to identify them! Where is the MARK of AUTHORITY for these STONES? On the right, look at H5414 Nun Tav Tav (first word). The Urim and Tumim are SEALED (Tav) for Right Ruling! **Right Ruling, or *Judgment,* is for Yahuah alone!**

Exo 28:30 "And into the breastplate of **Right-Ruling** you shall put the **Urim** and the **Tummim**, and they shall be on the heart of Aharon when he goes in before יהוה [**Yahuah**]. And **Aharon shall bear the right-ruling** of the children of Yisra'ĕl on his heart before יהוה [**Yahuah**] continually.

Exo 28:30

Judgment!

Note: **No Tav** in this H1961!

Note the DOUBLE TAV's here! "You Give" – Were these stones "Covenanted" for Right Ruling?

Now it begins to get **really** interesting!

Or – **Judgment** - ISA

Exo 28:30 "And into the breastplate of **Right-Ruling** you shall put the **Urim** and the **Tummim**, and they shall be on the heart of Aharon when he goes in before יהוה [**Yahuah**]. And **Aharon shall bear the right-ruling** of the children of Yisra'ĕl on his heart before יהוה [**Yahuah**] continually."

The Urim and Tumim were **not on the shoulders**, but in the Breastplate of Judgment!

[H224] **Urim** up **NEXT**!

Breastplate info from Gesenius

Gesenius' Hebrew-Chaldee Lexicon [?]

אוֹר m.—(1) i. [illegible] אור *light*. Hence in pl. אוּרִים—(*a*) *lights*, i.e. lucid region, the East; comp. Hom. πρὸς ἠῶ ἠέλιόν τε (Il. μ'. 239; Od. ι'. 26), Isa. 24:15.—(*b*) *lights*, metaph. *revelations, revelation*, used of the sacred lot of the Hebrews, Nu. 27:21; 1 Sa. 28:6; generally more fully called הָאוּרִים וְהַתֻּמִּים "revelation and truth," Ex. 28:30; Lev. 8:8; once תֻּמִּים וְאוּרִים Deu. 33:8; LXX. excellently, δήλωσις καὶ ἀλήθεια: Luther, Licht und Recht. These sacred lots, which were only consulted by the high priest in matters of great moment, were borne by him *in* or *upon* his breastplate, as appears from Ex. 28:30. It was a matter of dispute what they were, even in the time of Philo and Josephus. Josephus, indeed (Arch. iii. 8, § 9), supposed that the augury was taken from the twelve stones on the outer part of the breastplate, and from their brightness; but Philo (tom. ii. p. 152, ed. Mangey) teaches that Urim and Thummim were two little images, put between the double cloth of the breastplate, one of which symbolically represented *revelation*, the other *truth* [!!!]. The Hebrews seem in this symbolic manner to have imitated the Egyptians, amongst whom the supreme judge wore a sapphire "image of truth," hung from his neck; see Diod. i. 48, 75; Ælian. Var. Hist. xiv. 34 [This idolatrous notion of Philo is not to be regarded as throwing any light on the subject].

(2) *brightness of fire, flame;* Isa. 50:11, בְּאוֹר אֵשׁ; and *fire* itself, Isa. 44:16; 47:14; Eze. 5:2; comp. אוֹר Hiphil No. 3.

An UDDER? How...? An udder is a **SUPPLIER** and **SUSTAINER** of LIFE!

Vav = a hook, a nail, which connects, and/or a place to hang things, (thoughts, identities, concepts, standards, etc.)

Yahuah **created this earth to be inhabited** (Isa 45:18). It was to be a supplier of life, and to sustain life permanently. The THRIVING in Life Theme was to be the eternal covering (garment) understood from the Hebrew Letter – Nun. This was Yahuah's mindset from the instant He spoke earth into existence.
