

Covenant Calendar

2023 - 2024
Dawn Day-start

Ps 90:12 So teach us to number our days,
that we may apply our hearts unto wisdom.

What is a Covenant Calendar?

The Blood-Ratified Covenant Calendar that is found completely between the pages of Gen 1:1 to Exo 24:11 stands in complete alignment with **Yahusha Ha Mashiach's** everlasting Blood-ratified Book of the Covenant under the highest order of the Melchizedek Priesthood:

1. THE COVENANT CALENDAR "DAY"

BEGINS WITH DAWN – the first LIGHT in the morning sky, before the visible sunrise. Every day is 24 hours long, including the weekly Sabbath.

(Gazing at the sun to determine the day-start or day-end is not commanded anywhere by Moses in Torah, or other Scriptures.)

2. THE COVENANT CALENDAR "YEAR"

BEGINS when the winter season is complete in the Northern Hemisphere. The "equinox" day is the sign to determine the year end; the next day (or the first day of spring) is the first day of each new year. The Covenant Calendar year is 360 days in length.

3. THE COVENANT CALENDAR "MONTH"

BEGINS with the first day of each new year. Each of the 12 months in the 360 days is counted out as 30 days / month. (Gazing at the moon to determine the month-start is not commanded anywhere by Moses in Torah, or other Scriptures.)

4. **SUMMARY:** The Covenant Calendar is based upon "LIGHT" and simple counting – prepared this way by our Creator so everyone can know, understand and follow His Covenant Calendar for the annual Feast & Festival worship statutes.
