Yahusha at age 12 revealed
Responsibility & Statement!

Yahusha, at the age of 12 years,
positively fulfilled prophecy.

(Come in My Name.)

- Yahusha, at the age of responsibility, wasted no time in exposing His mission on this earth.
- When Yahusha, being next to death declared - “It has been accomplished,” **WHAT WAS IT** that was accomplished?

READ JOHN 5:30 (NEXT SLIDE)

I can of mine own self do nothing: as I hear, I judge: and my judgment is just; *because I seek not mine own will, BUT THE WILL OF THE FATHER which hath sent me.*

The Passion Week!

- At 12 years of age, a **Divinely** controlled event, caused **Yahusha** to be speaking with the clergy in the Tabernacle on the 3rd day, which **FOLLOWED** the **Feast of the Yahudim** (Jews).

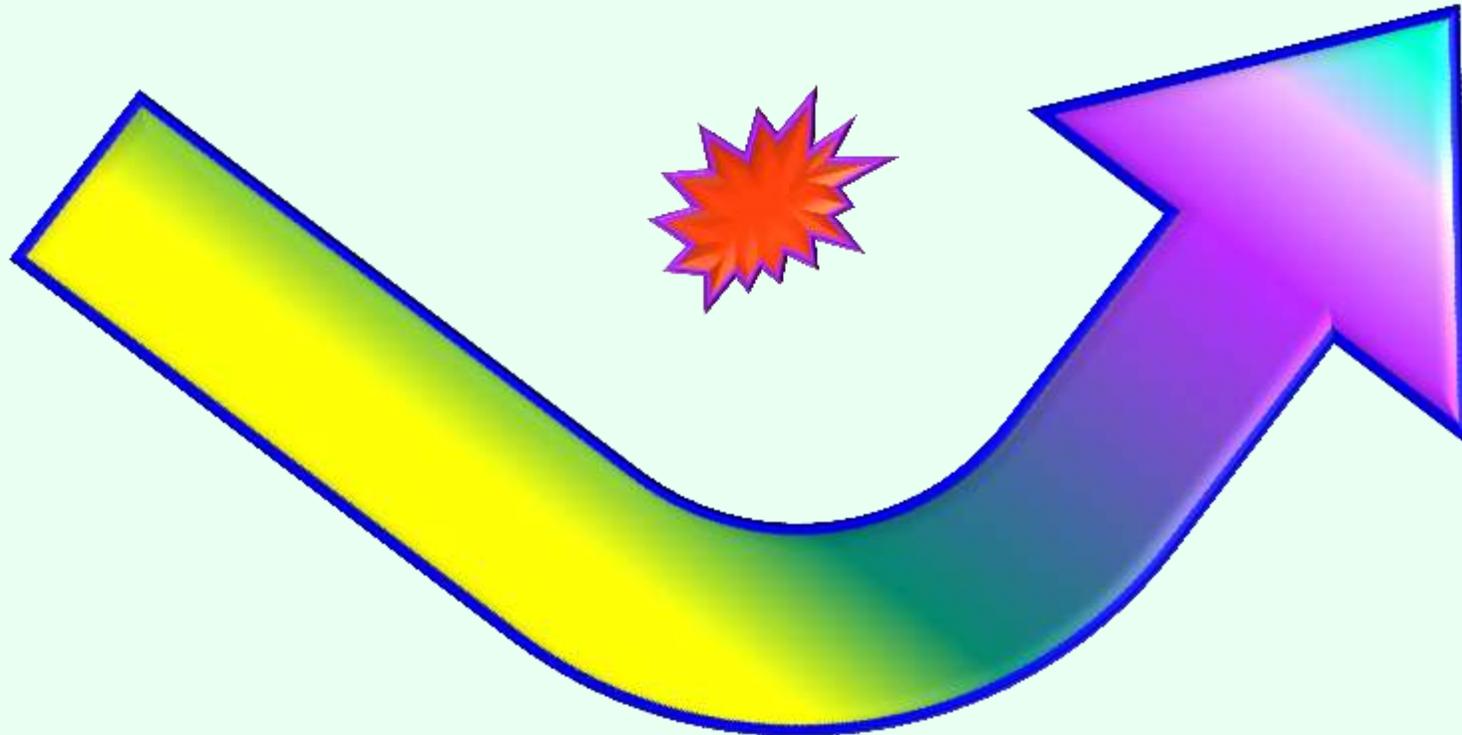

- **Luke 2** is written with very intentional descriptions for this tender moment of startling importance.
- Take note of Luke's SPECIFIC documentation for the required **STANDARDS** around these events pertaining to **Yahusha**.

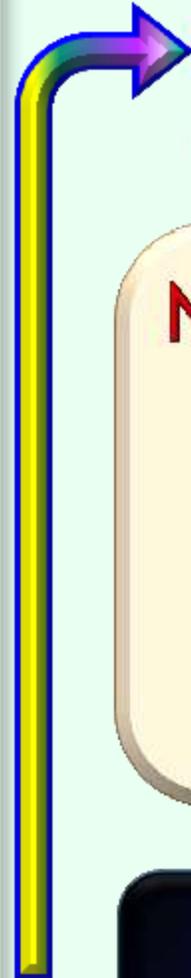

- Luk 2:21 And when eight days were completed for Him to be circumcised, His Name was called יהושע [Yahusha], the Name given by the messenger before He was conceived in the womb. {Lev 12:3}
- Luk 2:22 And when the days of her cleansing **according to the Torah of Mosheh** were completed, they brought Him to Yerushalayim to present Him to יהוה [Yahuah] –
- Luk 2:23 as it has been written in the Torah of יהוה, “Every male who opens the womb shall be called set-apart to יהוה”
- Luk 2:24 and to give an offering according to what is said in the Torah of יהוה, “A pair of turtledoves or two young pigeons.”

- Luke 2:27 And he came in the Spirit into the Set-apart Place.
And as the parents brought in the Child יהושע,
[Yahusha] to do for Him
according to the usual practice of the Torah,

- Luk 2:39 And when they had accomplished all *matters* according to the Torah of יהוה [Yahuah], they returned to Galil, to their city Natsareth. 

Note: Up to this point Luke clearly delineates the modus operandi of event requirements as they pertain to Yahusha. Everything recorded to this point had a Torah requirement & *fulfillment*.

Let us keep our eyes wide open, and our minds even more open and ready for discernment.

- Luk 2:41 And His parents went to Yerushalayim every year at **the Festival** of the Passover.

“the Festival”

WHO'S Festival was this?

Why did Luke not directly connect Yahuah's Name to this Festival as with other specified entities?

Why did Luke not, as his custom was, inform us of pertinent Torah requirements and fulfillments?

- Luk 2:42 And when He was **twelve years old**, they went up to Yerushalayim according  to the practice of the festival.

The age of accountability.

According to Luke's record of documentation, is it not strange that Luke did not say - **"according to the Torah"** - when citing this festival?

"the Festival of the Pesach" Luke 2:41

Do these terms seem a bit unusual in terms of Luke's former recordings?
Let's do a **comparison**.

"according to the practice of the Festival" Luke 2:42

Yahuah's Standards

according to the Torah

as it has been written in the Torah

according to what is said in the Torah

the usual practice of the Torah

WHAT DIFFERENCE
activated Luke to alter his documentation to a dissimilar informative format?

“the Festival of the Pesach”

“according to the practice of the Festival”

As Luke did not designate
this specific Festival as
~ **that of Yahuah** ~

THEN
WHO'S
FESTIVAL
WAS IT?

Considering that Miryam had a good idea of just who her son Yahusha was (and is), carefully consider this next revelation from the Scriptures and ask yourself -

HOW, & equally as important, **WHY ...**

1. What extremely unusual event occurred at this Festival concerning the welfare of Yahusha?

2. Why did Luke not specify this timeframe as - "the days of Yahuah?"

Luke 2:43 When they had accomplished **the days**, as they returned,

the Child יהושע [Yahusha] stayed behind in Yerushalayim.

Not too unusual thus far ... **BUT ...**

Luke 2:43 continues -

And His
parents did
not know
it... Luke 2:43

Was it pure chance that Miryam and Yoseph on the start of their long journey home, just happened to “forget” and leave Yahusha behind?

Was Ha Satan hoping that Yahusha was lost forever?

OR –

Is it possible that Yahuah purposely caused - (blocked) the knowledge of Yahusha being left behind, to not enter the minds of His earthly parents?

**Is it possible that being left behind and found
3 days later in the Tabernacle,
might fulfill some
DIVINE STATUTES?**

What if there were
two different calendars in this time,
that were in operation at the same time?

What if the *Covenant Count* found
from Gen 1 to Exo 24:11

and a lunar based, fully **adjustable**

(John 7:6 – see “ready” #G2092)

calendar were operating at the same time?

Would anyone be interested in a
COMPARISON of both these
calendars for answers?

Important Comparison Info #1:

How do we know that it was the crescent moon that determined times back then and not another phase of the moon?

In all research thus far and especially that of Julian Morgenstern, it is repeatedly recorded that the crescent moon was the specific identity for the cause of determining time.

Important Comparison Info #2:

How are we able to determine the lunar based year all the way back to CE 12?

The Lunar **Metonic Cycle** has a 19 year cyclical pattern.

It is here that the phases of the moon can be recorded.

The yellow highlights are the **Lunar** Feast of Unleavened Bread dates.

“And it came to be that after **three days** that they found Him in the Migdash, sitting in the midst of the teachers, both listening to them and asking questions.” (Luke 2:46)

It was the third cycle of the week and Yahusha was found in the Migdash (Tabernacle) by His distraught earthly parents.

And having seen Him they were amazed. And His mother said to Him, *“Ben [Son] why have you done this to us? See, Your father and I have been anxiously seeking you!* Luke 2:48

To which Yahusha answered -

And He said unto them,

Was Yahusha insinuating
that they should have
very well known of His
whereabouts?

Not because He was lost,
BUT BECAUSE -

Wyste ye not, that I must go
about my fathers businesse?”

Luke 2:49

Bishop's 1538

... that I had to be in My Father's house?" Luke 2:49 NASB

1

2

3

It was the 3rd cycle in that highly specific week!

What is the very sad documentation in the next verse? (Luke 2:50)

But they did not understand **THE WORD** which He spoke to them.

Yahusha's earthly parents

did not understand the MelchiTzedek Administration!

They did not understand the counterfeit deception of the lunar calendar, that had quietly usurped their allegiance to Yahuah and had misplaced & diverted their worship to an evil god - Ha Satan!

... I must go about My Father's business?" Luke 2:49 KJV

1

2

3

They did not understand that Yahusha, *The Word*, was preparing to be the next MelchiTzedek Kohen Ha Gadol and must execute Exo 23:14-17 perfectly!

High Priest

WHY must Yahusha observe Exo 23:14-17

EXACTLY, INCLUDING PROPER TIMING?

Very briefly: because Exo 23:14-17 is within the Everlasting Covenant which was agreed to 3 times by the Hebrew nation, before it was blood ratified - then sealed with a meal (Exo 24:1-11), - FOR ETERNITY! Yahusha MUST observe the *Feast of Yahuah*, with absolute impeccable timing! Nothing short of it!

1

2

3

Yet the earthly parents of Yahusha had been deceived & misled through the insidious assault of lunar teachings from generations past!

The words of Yahusha - ***“Do you not know...”*** (Luke 2:49) reveals a stunning fact that they - Yoseph and Mary - did not know about the timing of the **Covenant Calendar of Yahuah!**

They did not know the **qodesh timing** of the Feasts!
They did **NOT** start their new year according to the Tequfah!

The lunar system they followed, “according to the practice of the festival” (Luke 2:42) **had them on an entirely different schedule.**

What did Yahuah say about the lunar system of determining time?

- Isa 1:12 “When you come to appear before Me, who has required this from your hand, to trample My courtyards? [desecrate & profane]
- :13 “Stop bringing futile offerings, incense, it is an abomination to Me. New Moons, Sabbaths, the calling of meetings – I am unable to bear unrighteousness and assembly.
- :14 “My being hates your New Moons and your appointed times, they are a trouble to Me, I am weary of bearing them.
- :15 “And when you spread out your hands, I hide My eyes from you; even though you make many prayers, I do not hear. Your hands have become filled with blood.
- :16 “Wash yourselves, make yourselves clean; put away the evil of your doings from before My eyes. **Stop doing evil!**

1

2

3

Do you think Yahusha received that memo from Isaiah?

What is with that #3?

It's time to compare **Covenant Calendar**

to the Lunar calendar!

Exactly what was Luke trying to tell us when he documented the "3 days late?" Was it just "3 days" as it sounds?

Or, did Luke covertly identify - *The 3rd Cycle of a special Covenant Calendar Week* (upon which was the ...)?

See for yourself, and you decide!

Does that #3 look like it needs to burst, revealing important information about WHO Yahusha is?

And He said unto them, “Why were you seeking me? Wyste ye not, that I must go about my fathers businessse?” Luke 2:49 Bishop’s 1568

1

2

3

At this point the question can be asked, - Just who is this Yahusha and what should be His course of actions according to His statements?

“I can of mine own self do nothing: as I hear, I judge: and my judgment is just; because **I seek not mine own will**, but the will of the Father which hath sent me.” John 5:30

“Think not that I am come to destroy the law, or the prophets: I am not come to destroy, **BUT TO FULFIL.**” Matt 5:17

Can we expect Yahusha to observe the Covenant Calendar of Yahuah in spite of all other instruction?

Is it possible that **Yahusha** at the age of responsibility, (12 years old), made a **BOLD STATEMENT** concerning Him following the Will of His Father? Consider His words of intentions –

John 4:34 יהושע said to them, “My food is to do the desire of Him who sent Me, and **to accomplish His work.**

John 6:38 “Because I have come down out of the heaven, not to do My own desire, **but the desire of Him who sent Me.**

This and other verses make it quite clear that **Yahusha's** full intention was to do the will of His Father – **Yahuah.**

Is ***Covenant Calendar*** within this intention? We shall see!

We will restart the Covenant Calendar so there is no mistake in counting!
