

# Yahusha's Contempt

for the Jews'

**Lunar** Feast of Tabernacles

John 7 Part 1

**If ever**, in your journey,  
you have **HEARD** -

“Yahusha observed the *Feasts of the Jews*,”  
and wondered if in fact it were true,  
and desired **Scriptural evidences**,  
then this study in *John 7*, will be of  
**GREAT INTEREST**  
to you.

**Yahusha**  
addresses  
the  
**Lunar**  
**Based**  
**Calendar**

**John 7**

The  
appearance  
of the flower  
of this thistle  
is most  
beautiful.

The top surface  
portrays  
exquisite  
beauty.

**Just below the  
surface is a  
more rugged  
look.**

The deeper investigation reveals the location of the darker features.

The thorns that impale are in full abundance.

They are an integral part of this **plant.**  
(Pun intended.)

The Lunar Deception **was intentionally “planted”!** Lunar **THORNS** invariably **IMPALE** Salvation’s invitation for us.

Treat it like a salad & **TOSS IT!**

**Important!** - The **Blood Ratified** Covenant Calendar of Yahuah has zero lunar connections. It is **NOT** a luni/solar calendar but a Mazzaroth facilitated, **LIGHT BASED, Counted** calendar!

Have we applied sufficient attention to the documentations addressing the lunar based calendar from the Testimonies of the Tanach (Old Testament)?

Are there witness texts within the Scriptures that will give us a clear view of the solar vs lunar calendar controversy?

Clues that we can directly connect in the life of Yahusha?

Will the life **AND DEATH** of Yahusha on this earth reveal knowledge on this highly contentious subject?

Was **Yahusha** in agreement with the **TIMING** of the **Feasts of the Yehudim** (Jews)?

The book of John gives us a great place to begin.

John 7:1 And after this יהושע [Yahusha] was walking in Galil, for He did not wish to walk in Yehudah, because the Yehudim were seeking to kill Him.

John 7:2 And the festival of the Yehudim [Jews] was near, the Festival of Booths [Sukkot/Tabernacles],

John 7:3 So His brothers said to Him, ‘Get away from here and go into Yehudah, so that Your taught ones also see the works that You are doing.

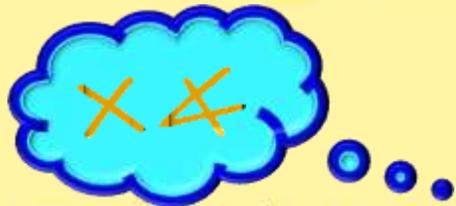

John 7:4 “For no one acts in secret while he himself seeks to be known openly. If You do these *works*, show Yourself to the world.”

Paraphrased: Show us your works! Prove your worth!

# Question

**Why** do the Scriptures declare –

...the festival *of the Yahudim* [Jews]...?

Leviticus tells us very clearly to **Whom** the Feasts and Festivals belong.

Why then do the Scriptures record this festival as one that belongs to the Yahudim?

# Yahusha's Brother's Unbelief

John 7:5 For even His brothers did not believe in Him.

John 7:6 יהושע [Yahusha] therefore said to them, “My time  
[Yahuah's Covenant Calendar] has not yet come, but

YOUR time [lunar based calendar]

is always ready.”

G2092 – ready/ **adjustable**

*Always* - through **lunar manipulation!**

**Question:** Is it possible that the calendar of the 2<sup>nd</sup> Temple era was **designed and adjusted** according to the declared belief standards of the Jews – very similar to the lunar-solar calendar of - **today?**

# Important Questions

- Why did **Yahusha** declare the Feast *of the Jews* to His brothers as **“YOUR”** time?
- **Yahusha** is the **One** who Inspired the documentation within the *Tanach* (Old Testament).  
Is it likely that we will find the same style of terminology used there too?
- Why *on earth* would **Yahusha** *intentionally distance Himself* from a Feast that was *originally* commanded by **Yahuah**?
- Is not the Feast of Sukkot (Tabernacles) found in **Exo 23:16**, which is the Everlasting Covenant upheld under the Melki-Tzedek Administration?

Does the *Festival in John 7*, by Torah statute, require **ALL MALES**, to attend?

# Your Time = Your Appointed Times

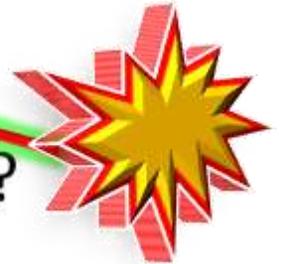

**Yahusha** spoke to His brothers and told them that **THEIR TIME** was ready.

*But His Time – A WORLD CLASS EVENT STATEMENT - was - not yet!*

What did **Yahusha** mean by this? Let's look into Isaiah's writings.

Isa 1:12 “When you come to appear before Me, who has required this from your hand, to trample My courtyards?

**Paraphrased:** - Who has taught you to **desecrate** My Principles?

Isa 1:13 “Stop bringing futile offerings, incense, it is an abomination to Me. New Moons, Sabbaths, the calling of meetings – I am unable to bear

***UNRIGHTEOUSNESS AND ASSEMBLY.***

What was it about these different **(foreign)** Sabbaths and assemblies that **Yahuah** emphatically despised?

## Isaiah Continued

Isa 1:14 “My being **hates** **YOUR *New Moons*** and **YOUR** appointed times, they are a trouble to Me, I am weary of bearing them.

Isa 1:15 “And when you spread out your hands, I hide My eyes from you; even though you make many prayers, ***I do not hear.*** Your hands have become filled with **blood.**

Isa 1:16 “Wash yourselves, make yourselves clean; **put away the evil of your doings** from before My eyes. **Stop doing evil!**

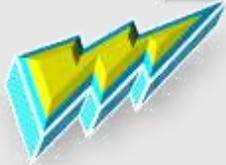

**Questions:** What characteristic personalized **THEIR** Sabbaths, assemblies, **THEIR** “New Moon” and appointed times, that was a ***SERIOUS EVIL OFFENCE*** to **Yahuah?**

From **WHOM** did this evil characteristic derive?

# “Your” – in Amos

Amos 5:21 “I have **hated**, I have **despised** **YOUR** festivals, and I am not pleased with **YOUR** assemblies.

**Tell me please** – were the Yisra’elites observing Feasts and Festivals that were opposed to the commands within the Everlasting Covenant?

Amos 8:9 “And it shall be in that day,” declares the Master יהוה [Yahuah], “that I shall cause the sun to go down at noon, and shall darken the earth on a day of brightness,

Amos 8:10 and shall turn **YOUR** festivals into mourning, and all **YOUR** songs into lamentation, and bring sackcloth on all loins, and baldness on every head, and shall make it like mourning for an only son, and its end like a day of bitterness.”

# “Your” – in Malachi

Mal 2:3 “See, I shall rebuke your seed, and scatter dung before your faces, the **dung** of **YOUR** festivals. **And you shall be taken away with it.**”

***Will we receive the message*** that there is something profoundly sinister about these events that **Yahusha** will have **absolutely nothing to do with?**

Why does He “pin” these events on humans? **Yahuah** did after all command His followers to observe the Feast and Festival assemblies!

Will we be able to discern a characteristic which **Yahusha** displayed in His life pertaining to His observing of the Feasts, **a profound declaration supported by His actions {His – **FEET?**}**, that will provide a clue to this mystery?

For **SERIOUS** Consideration:

Was Yahusha obligated to observe **any** of the **lunar** calendar feasts?

Also; was Yahusha required by statute to be at the temple in **Jerusalem** for the lunar feast?

What about His **FEEET??**

# Back to Yahusha 's Conversation with His Brothers

John 7:7 “It is impossible for the world to hate you, but it hates Me because ***I bear witness*** of it, [from a **LIGHT** based calendar viewpoint] that ***its*** (the 2<sup>nd</sup> Temple era traditional teachings) works are wicked.

John 7:8 “You go up to this festival. I am ***not yet going*** up to this festival, for ***MY TIME*** [Blood Ratified Covenant Calendar Appointment] has not yet been filled.”

According to **Yahusha's** words in verse 8, it sounds like He is referring to the **Tequfah** based **Covenant Calendar** for Sukkot timing. **Yet - is He?**

If that is so, why should **Yahusha** go and observe the Jew's **Lunar** Sukkot/Tabernacles Festival when the Torah appointed, **Qodesh (Set-Apart) LIGHT** based designated time for Sukkot, is at a completely different time?

# *Yahusha Witnesses? HOW!*

Yahusha tells us in no uncertain terms –

*I am, and will, give you evidence through  
**My Witness** of this insidious evil!*

When Yahusha actually physically witnesses to a situation, what is it that you would expect to notice? Would a very clear **DISCERNABLE DISCREPANCY** between the **tradition of the Pharisees** and the Torah Truth be **exposed** to us?

Could **Yahusha's witness** extend even to a **very physical example?**

Will **His witness** pass unnoticed – **VEILED BEFORE OUR EYES?**

Yahusha refrains from going...

Was this a - **WITNESS?**

John 7:9 And having said this to them, He stayed in Galil.

Could **Yahusha's FEET** be AS IMPORTANT as His Tongue?

Is this verse indicating to us that **Yahusha** *had an exemption* from being required to **obey the statutes** and attend **Appointed Times** of **Yahuah**?

It **APPEARS on the surface** that **Yahusha** was **ignoring the statute based command** that **ALL MALES** need to present themselves before **Yahuah** at the Appointed Times – Mo-edim! (Reference specifically **Exo 23:17.**)

Exo 23:17 “Three times in the year **ALL your males** are to appear before the Master **יהוה [Yahuah]**.”

More  
Questions:

Is there any place  
in the Scriptures  
where we learn that  
Yahusha need not observe  
the will of His Father?

What factor gave Yahusha the  
authority to "skip out" from  
presenting Himself to the  
Father at this LUNAR Sukkot?

# The Brother's action: – Their **WITNESS!**

John 7:10 But when His brothers **had gone** up to the festival,

The brothers “**feet**” were witnesses to them delivering **THEIR ALLEGIANCE** to the lunar system of worship! One does NOT need to be “on the knees, hands folded,” to “**deliver allegiance to the moon!**” Quite the contrary, our “**OUR FEET**” reveal to whom our service is dedicated!

**BE CAREFUL  
LITTLE FEET  
WHERE YOU TREAD!**

# Yahusha's **FEET** - WITNESS

John 7:10 But when His brothers had gone up to the festival, **THEN HE ALSO WENT UP**, not openly, but as it were in secret.

At the Feast, we learn in verses 11-12, the Yehudim (Jews) were wondering where **Yahusha** was, and were searching for Him.

The Yahudim understood the **statute** that **ALL MALES WERE TO PRESENT THEMSELVES BEFORE YAHUAH 3 TIMES PER YEAR**, as written in Exodus 23:17. The Jews were fully expecting **Yahusha** to observe *their* Feast.

**Where** was **Yahusha** Ha Mashiach?

**When** did **Yahusha** arrive at the Feast?

Was Yahusha  
Witnessing?

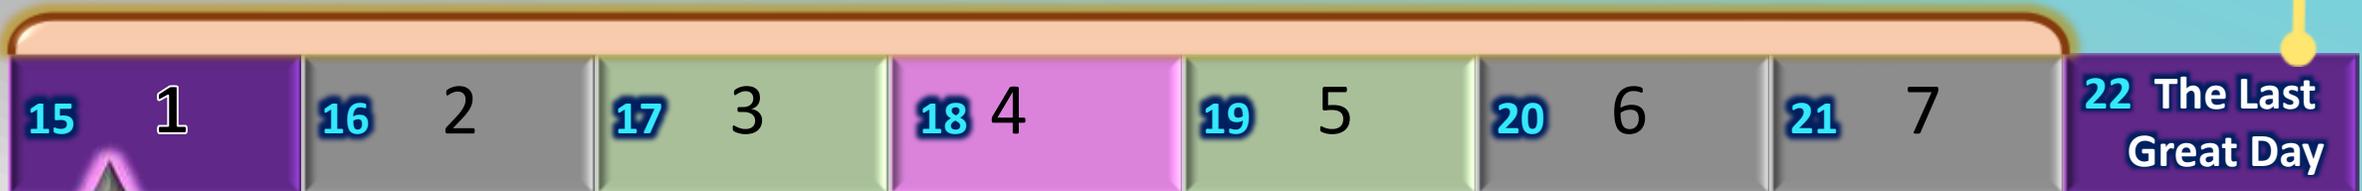

## Working slide for a new calendar table:

In the next few slides a calendar table is given for the days of the Feast of Tabernacles/Sukkot. Please note:

1. The **blue numbers** from **15-22** are the **dates** of Sukkot & the Last Great Day.
2. The **black numbers** only number the **seven cycles** of Sukkot.
3. There is a **"middle"** cycle in the 7 day feast of Sukkot. The **green blocks** indicate **"about"** the **"midst of the week"** as John has written.

Shemini Atzeret  
Last Great Day

Again note: The 1<sup>st</sup> block does not indicate this "cycle" is a 1<sup>st</sup> cycle/Sunday, nor that the 15<sup>th</sup> cycle of the 7<sup>th</sup> month is on a Shabbat. This is the same for all 8 cycles.

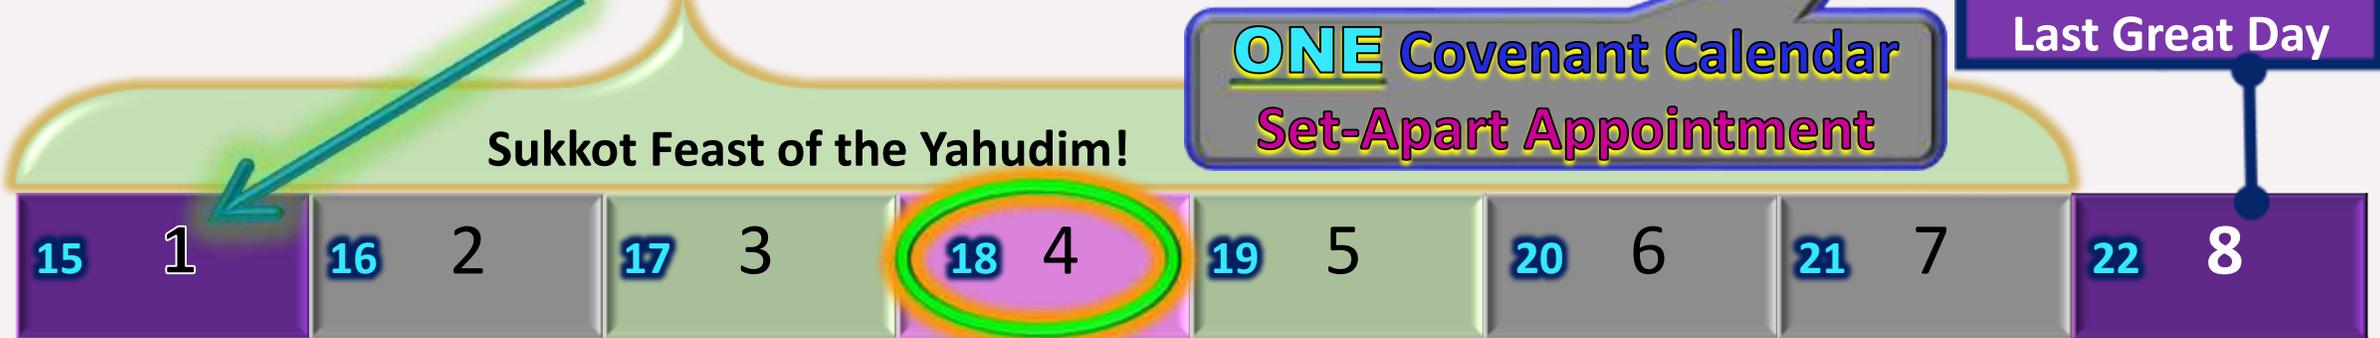

# Feast of the Yahudim (Jews) #1

Lunar 7<sup>th</sup> Month; the Seven Days of Their *Sukkot*

## Lunar & Human Manipulation

John 7:6 יהושע [Yahusha] therefore said to them, “MY TIME has not yet come, but **Your Time** is **ALWAYS** ready.”

Yahusha was “ON TIME” for **His Premier Cycle.**

**MIDST** of the Feast of the Yahudim - John 7:14

Which “cycle” was it, and what type of Cycle was it?

# Sukkot Feast of the Yahudim (Jews) #2

But when His brothers **had gone** up to the festival,

**THEN** He also went up, not openly, but as it were in secret.

John 7:10

John 7:11 The Yehudim, therefore, were seeking Him at the festival, and said, **“Where is He?”**

*Will the Roman Calendars with Lunar Sukkot dates document the Lunar 7/18 as a weekly Shabbat?*

# Yahusha – AWOL From Yahuah's Feast?

- To this date, there has not been a text found advising us that **Yahusha** was exempt from obeying **the Torah Statutes of Exo 23:16, 17!**

Exo 23:16 “And the Festival of the Harvest, the first-fruits of your labours which you have sown in the field; and the **Festival of the Ingathering at the outgoing of the year**, when you have gathered in the fruit of your labours from the field.”

Exo 23:17 “Three times in the year **ALL** your males are to appear before the Master **יהוה [Yahuah].**”

- **What Scriptural right did Yahusha have to be absent from the first Shabbat of the Lunar Sukkot (Tabernacles) ??**

Did Yahusha purposely **OPT OUT** from the **lunar** festival of the **Jews**?

John 7:14 And **about** the **MIDDLE** of the festival יהושע

**2 Witnesses!**

[Yahusha] **WENT UP** into the Set-apart Place, and He was teaching.

What could possibly be **Yahusha's** reasoning for arriving in the middle of the Jews' Festival?

What Scriptural **Calendar Reckoning** could **Yahusha** cite that would still reckon Him **SINLESS**, - in alignment with **Yahuah's** will, **and justify being absent for the first part of the lunar festival of the Yahudim**? Could it be - **OBEDIENCE???**

# Did Yahusha Arrive "Late" - or - "Right On Time"?

John 7:6 יהושע [Yahusha] therefore said to them, "MY TIME has not yet come, but Your Time is always **ready**."

Are days 3-4-5 **about** the "midst" of Sukkot week?

Or, was Yahusha On Time for this "middle day" of their Sukkot week?

# Is Yahusha Allowed to Arrive “Late” to a Lunar Feast?

## Lunar Based Feast of the Yahudim!

John 7:14 And about the **MIDDLE** of the festival יהושע [Yahusha] **went up into the Set-apart Place**, and He was teaching.

What **LEGAL** right does **Yahusha Ha Mashiach** claim from the Scriptures that rightfully allowed Him to **miss out** on the first part of **this Lunar** Sukkot (Tabernacles) –

**AND NOT BREAK THE STATUTES OF EXODUS 23:17?**

# Yahusha's Covenant Sukkot Time – Leviticus 23

Lev 23:24 “Speak to the children of Yisra’el, saying, **In the seventh month, on the first day of the month,** you have a rest, a remembrance of blowing of trumpets, a set-apart gathering.

Lev 23:34 “Speak to the children of Yisra’el, saying, **On the fifteenth day of this seventh month is the Festival of Booths** for seven days to יהוה [Yahuah].”

When **Yahusha** said – “... **For My Time has not yet been filled ...**” it is these **“times”** found in the **Torah**, that must be fulfilled completely. **Yes, even by Yahusha Himself!**

**Was Yahusha required to be in the temple on lunar festival timing, or, only on His timing?**

# Determining the Start of the Year for Covenant Calendar

- To determine the 7<sup>th</sup> month correctly, the very first day of the year must be ascertained first.
- There are 10 verses in the Tanach that indicate very clearly what **celestial event** develops, ending **Yahuah's** year. One is **Exo 34:22** in which the autumnal *tequfah (equinox)* signals final events of **Yahuah's worship calendar year**.
- 6 Months prior to John 7 is the spring *tequfah* (equinox) which ushers in the **start of the new year**. If this is not realized specifically by the Torah instructions, the Feasts and Festivals will not be on **Yahuah's Qodesh (Set-Apart) Calendar**.
- **Yahusha** was living out the Torah and **His Time** was according to the *tequfah* (equinox) system for determining the new year (in 29 CE of John 7).
- The Pharisees (Yahudim) of the second Temple era were observing times by the lunar calculations – **beginning the year with the new moon after the equinox**.
- **Yahusha** could not, and would not, observe feasts of **Yahuah** on a lunar based calendar.

# Yahusha – declares His **METHOD** of Witnessing

• **John 10:25** יְהוֹשֻׁעַ answered them, "I have told you, and you do

not believe. **The WORKS that I DO**

**in My Father's Name,**

they **BEAR WITNESS**

concerning Me.

Have we been studying thoroughly enough  
to catch His **WITNESSING** events?

# Yahusha's **FEEW** - **SPEAK!**

Listen to  
**HIS FEET!**

- **John 10:26** "But you do not believe, because you are not of **My sheep**, as I said to you.

- **John 10:27** "My sheep hear My voice, and I know them, and they follow Me."

Did **Yahusha**  
**WITNESS, OPPOSING**  
the lunar based  
worship system of  
the 2<sup>nd</sup> Temple?

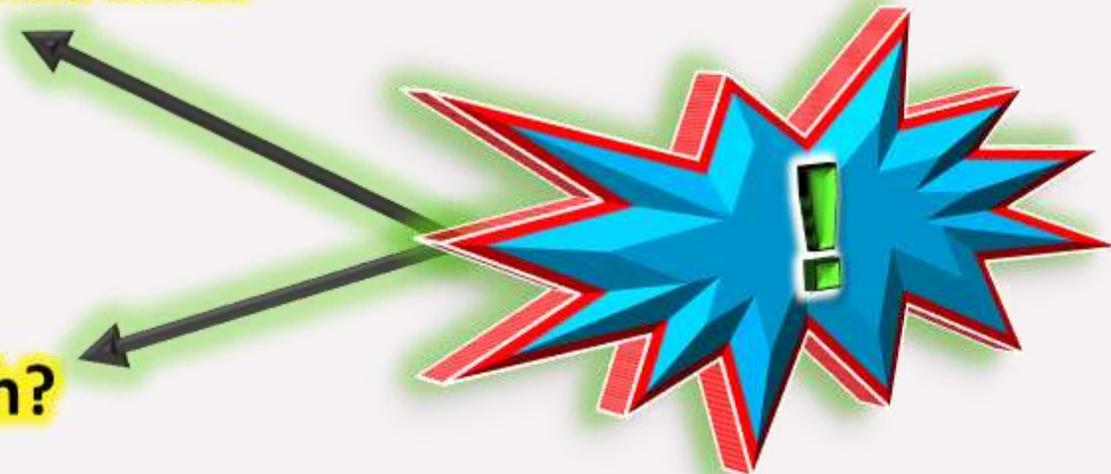

From where did **Yahusha** receive His **DIRECTIVES**?

# Yahusha - a Witness for Yahuah

- How can we know that **Yahusha** is testifying for **Yahuah's** will?
- **Yahusha** was teaching the people and they were amazed at the depth of understanding being delivered to them.
- What was His response to their inquiry of where He received His knowledge?

John 7:16 יהושע [Yahusha] answered them and said, “My teaching is not Mine, **but His who sent Me.**”

**Can we verify this from the Torah?**

## Yahuah *Speaks* to Mosheh – *Your Clue*

Deut 18:18 ‘I shall raise up for them a Prophet like you out of the midst of their brothers. *And I shall put My Words in His mouth, and He shall speak to them all that I command Him.*

Deut 18:19 ‘And it shall be, the man who does not listen to My Words which He speaks in My Name, I require it of him.’

With this information in mind, when **Yahusha** told His brothers –

*“My Time has not yet come ...”*

from Whom did these words originate?

# Teaching by **example**, or just simple conversation?

When **Yahusha** told His brothers – “**My Time has not yet come...**” is it possible He was alluding to an **imposter LUNAR calendar issue** which was being enforced by the high priest at that time? **Would that be the imposter high priest that later tore his faulty priestly garment? !!**

Was **Yahusha TEACHING** his brothers with **WORDS** instilled in Him from **Yahuah (Deut 18:18)**, and also by **walking out** His **PHYSICAL EXAMPLE?**  
Let's read His words further in the same conversation with His brothers –

**John 7:17** “If anyone desires to do His desire, he shall know concerning the teaching, *whether* it is from Elohim, or whether I speak from Myself.

**John 7:18** “He who speaks from himself is seeking his own esteem, but He who seeks the esteem of the One who sent Him is true, and no unrighteousness is in Him.”

# Yahusha's Example

Luke 24:27 And **beginning at Mosheh [Torah]** and all the Prophets, He was explaining to them in all the Scriptures the *matters* concerning Himself.

Derek

**Yahusha** tells us (John 7:17) if we truly desire to know His **Ways**, we will be given that understanding.

So, if we are truly desiring to be on the **correct** Worship Calendar of **Yahuah**, would it be appropriate to search the **Torah** for information exposing – **“MY TIME”?????** (Reference to John 7:6.)

**Or,** shall we blindly accept the Rabbinical **Luni/Solar** calendar named the “Hebraic Calendar” which is formulated and promoted by Judaism today?

## Yahusha's Example #2!

Luke 24:27 And **beginning at Mosheh [Torah]** and all the Prophets, He was explaining to them in all the Scriptures the *matters* concerning Himself.

Why is it that we **DO NOT** read: And beginning at - **Enoch - ?**

Could it be that the **evidences** of the numerous books of Enoch (that all vary from each other), exposing they were written shortly prior to Yahusha living on this earth and through His lifetime; could these evidences **be factual?**

Why is it that the Scriptures do **NOT** consider the books of Enoch as **Truth?**

# Yahusha's HAMMER

John 7:19

“Did not Mosheh give you the Torah?

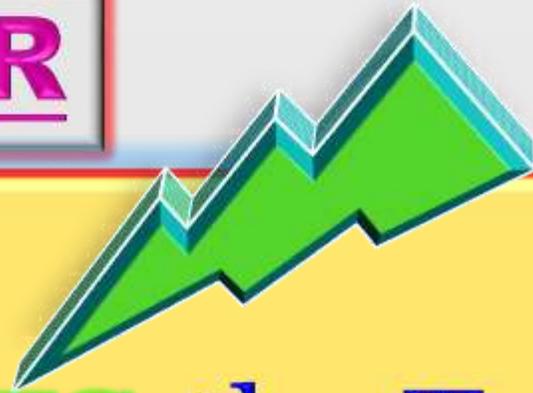

Yet **not one** of you **DOES** the Torah!

Why do you seek to kill Me?”

**Note:** “**DOES**” is an **action** word, **not a belief value**. Physical steps must be taken to fulfill this word. **What physical actions were the Pharisees, either innocently or intentionally, going afoul with by observing their Feasts (the feasts of the Yehudim)?**

Read also - **Matthew 5:20**. What is it that we need to be doing that “**exceeds**” that of the Scribes and Pharisees?

What declaration from **Yahusha** should send **red flags** blazing into the sky before our eyes?

The **Key of Knowledge** removed!

Luke 11:52 “Woe to you learned in the Torah, **because you took away the key of knowledge.** You did not enter in yourselves, and those who were entering in you hindered.”

**Connection:** The **context** of this conversation from **Yahusha** to His brothers, in **John 7**, is – **timing**. What **timing characteristic** were the Scribes and Pharisees observing, which had efficiently **defiled** the **Torah**?

**Here in Luke 11, Yahusha** is outlining some of the things where the Pharisees are going astray from the Word.

**DIS-Obedience!?**

*A key is a vital piece of information that opens the portal to knowledge.*

**Question:**

*What is the "key of **KNOWLEDGE**" that Yahusha was referencing?*

*Where in the Scriptures do we find a description of infinite knowledge?*

# Yahuah tells us *where* to find **KNOWLEDGE**

Ps 19:1 The heavens are proclaiming the esteem of Ēl; And the expanse is declaring the work of His hand.

Ps 19:2 Day to day pours forth speech, *And night to night reveals knowledge.*

**THE MAZZAROTH**

Ps 19:3 There is no speech, and there are no words, Their voice is not heard.

Ps 19:4 *Their line has gone out through all the earth, And their words to the end of the world. In them He set up a tent for the sun,*

Ps 19:5 And it is like a bridegroom coming out of his room, It rejoices like a strong man to run the path.

**Tequfah**

Ps 19:6 Its rising is from one end of the heavens, And its circuit to the other end; And naught is hidden from its heat.

What **KNOWLEDGE** are we searching for?

## THE MAZZAROTH

contains the full accurate outline in detail, of this

*Knowledge; the complete **Plan of Salvation!***

- The **Mazzaroth's Tequfah** is the “centering pin” which determines the start of **Yahuah's** new worship year.
- The **Tequfah** is the ultra specific celestial event which places us on the correct schedule to receive the full blessings of **Yahuah!**
- When we accept the removal of the **Tequfah, Yahuah's “centering pin of timing”** and we follow along in the pagan lunar traditions, we then have placed ourselves on the Adversary's schedule.
- The Dragon claimed in **Isaiah 14:13 & 14** that he would control the Mo-edim.
- By accepting the **lunar traditions**, we accept the Dragon's usurped authority!

# Questions

- ? Why is the sun given prominence by receiving a special designated **DWELLING PLACE** (Ps 19:4) within the **Master Time Clock** – which is - The Mazzaroth – of **Yahuah**?
- ? The sun's **tabernacle** or - **DWELLING PLACE** in the **Mazzaroth** is the beginning and ending point of its circuit in the heavens – the **Tequfah**.
- ? Many have been taught that the **moon** is the guiding light to start the Worship year to **Yahuah**. Why then is there no mention of this supposed “all important figure” in the **Mazzaroth** – which is the **Ultimate Eternal Master Time Clock** of **Yahuah**? No mention that is, **UNTIL REV 12:1 WHERE BETHULA STANDS ABOVE THE MOON!**

Seen approximately every  
third Sept 23 – Bethula, THE  
Bride of Yahusha, is NOT  
STANDING ON THE  
LUNAR PLATFORM OF THE  
MOON! (THIS IS A PAGAN  
RELIGIOUS FALSE  
DOCTRINE.)

## Final Question

Is it possible  
that the wool  
has been  
pulled over  
our  
 –  
**AGAIN?**

Jer 16:19 ... Surely our  
fathers have **inherited lies**, vanity,  
and *things* wherein *there is* no profit.

# The Mazzaroth Constellations = **Infinite Knowledge**

Job 38:31 Do you bind the bands of Kimah, [Pleiadies] or loosen the cords of Kesil [Orion]?

KJV

Job 38:32 Do you bring out the constellations [Mazzaroth] in its season? Or do you lead the Bear [Arcturus] with its sons?

*The Mazzaroth is the Master Time Clock of Yahuah! He used this system of determining time at the start of the Hebrew nation – see Genesis 17, 18, 21:2. Yahuah does not change.*

*The Yisra'elite's exodus from Mitsrayim (Egypt) was timed by the Appointed Times (Mo-edim) which is governed by the Mazzaroth.*

*The entire plan of Salvation - within the Mazzaroth Constellations - as written in the sky, passes by - every 24 hours.*

# Keys to Knowledge – Mazzaroth's Rulership

Immediately after Job writes about the Mazzaroth in verses 31 & 32, he asks –

Job 38:33 Knowest thou the ordinances of heaven? *canst thou set the dominion thereof in the earth?* *KJV*

Job 38:33 Do you know the laws of the heavens? *Or do you set their rule over the earth?* *The Scriptures*

Job *references the Mazzaroth*, then within a question clearly indicates their commission for dominion over the earth! **What Dominion?**

The *Mazzaroth* has absolute governing control as the commissioned ***TIME CLOCK*** of Yahuah over eternity.

# A Celestial Position Comparison

The Scriptures ([Psalms 19:4](#)) informs us that the sun has been given a designated permanent residence within the Mazzaroth. It is an **ohel** (H168), a dwelling place.

What physical position, in a spiritual sense, has been applied to the moon in the final days of the earth?

[Rev 12:1](#) And a **great sign** was seen in the heaven: a woman clad with the sun, **the moon under her feet**, and on her head a crown of twelve stars.

# Questions:

Have you considered the Scriptural concept of the position “**UNDER THE FEET**” ?? ??

Is it a position of authority? Is it a solid platform for a truthful belief system as many have been coerced into accepting – without questioning it?

For Scriptural **insight/examples** on this positioning – ask for –

**Standing On The Moon.**

It might not be as many have been previously taught !! !!

# Mazzaroth Constellations → Twelve!

- There are **twelve** Mazzaroth Constellations that expose the full and complete plan of Salvation in the sky.
- One constellation for each month of the year.
- One Constellation for each month of the year that the Tree of Life produces fruit, as written in Revelation 22:2. Revelation tells us that there are **twelve** fruits. Let's read it carefully –

There is not a 13<sup>th</sup> constellation, nor a 13<sup>th</sup> month!!!

**Rev 22:2** In the midst of the street of it, and on either side of the river, *was there* the tree of life, **which bare twelve manner of fruits, and yielded her fruit every month:** and the leaves of the tree *were* for the healing of the nations. KJV

# *There are* – **TWELVE** –

- **TWELVE** fruits on the tree of life
- **TWELVE** Mazzaroth Constellations
- **TWELVE** captains reserved for taking care of Solomon's kingdom – one for each month (1 Chron 27:1).
- **TWELVE** tribes of Yisra'el
- **TWELVE** hours in a Light Season declared by **Yahusha** – John 11:9
- **TWELVE** months in prophetic years – (30 cycles per month)
- **TWELVE** months in the year of Noah's flood (proven 30 cycles per month)
- **TWELVE** months in the year when Joshua entered Canaan
- **TWELVE** months in the year when **Yahusha** stood up to speak on "that Last Great Day" of Sukkot/Tabernacles – John 7:37
- **TWELVE** months in the year of **Yahusha's** Ultimate Sacrifice

**QUESTION -**

**WHERE IS A 13<sup>TH</sup> MONTH -  
WITH A SECOND WITNESS AS  
REQUIRED BY YAHUAH?**

**WHERE?**

# The Next Set Of **QUESTIONS** -

- ? Is it possible that **Yahusha** arrived at the Jews' Feast of Sukkot in the *middle* of their celebration because He could **NOT** observe their Lunar Sukkot (Tabernacles) and stay within the statutes of **-Yahuah's Will?**
- ? Is this what **Yahusha** meant when He said to His brothers – “...**My time** has not yet been filled”? John 7:8 (*HalleluYah Scriptures*)
- ? Was **Yahusha** **fulfilling** the **Covenant Calendar** by **WITNESSING AGAINST** the **Metonic Cycle** which was **“PLANTED”** after the death of Hezekiah?
- ? Is the Metonic Cycle, the same lunar based calendar that is recorded by the Zadokite priests of Qumran; the one they so vehemently abhorred because it had insidiously crept into the 2<sup>nd</sup> Temple era worship **traditions?**
- ? **Is this lunar based calendar one of the reasons why the Essenes of Qumran abandoned the Tabernacle for their seclusion from evil traditions, and also the imposter leadership derived from the Hasmonean period leading into the 2<sup>nd</sup> Temple era?**

**Observation:** the lunar system of worship was

**PLANNED!**

From whom do we find the lunar

**ORIGINAL SEED?**

**THE SEED OF  
TOHU & BOHU!**

# IN OPPOSITION TO - ?

? Did Yahusha OPPOSE -

**Man's Metonic Cycle?**

John 7:7 “It is impossible for the world to hate you,

but it hates Me - **because**

*Listen to His Feet!*

**I bear witness of it,**

that **its works are wicked.**”

Are we just reading our Scripture? Or are we **EXAMINING AND INTERNALIZING** - Yahusha's “**feet speaking**”?

What about a second witness - from Yahusha?

Yahusha is **TWELVE** years old! His parents took Him to "the" Passover.

Please note very carefully, the wording of this next text.

Luke 2:42 And when He was twelve years old, they went up to Yerushalayim **according to the practice of the festival.**  
*The Scriptures*

**Question:** Have you ever questioned why the Scriptures tell us it was according to the practice of the festival – instead of saying – **according to the Torah?**

Luke 2:42 And when he was twelve years old, they went up to Jerusalem after the custom of the feast. *KJV*

What, and/or who, set the **customs of this feast** of the Yehudim (Jews)?

# “customs of the feast” – “A Mistake in translation?”

The Scriptures are very clear and *quite eager* to tell us exactly when the Torah is being followed.

**Luke 2:27** And he came in the Spirit into the Set-apart Place.  
And as the parents brought in the Child **יהושע**  
[Yahusha], to do for Him

*according to the usual practice of the Torah...*

**Luke 2:39** And when they had accomplished all *matters*  
*according to the Torah* of **יהוה** [Yahuah],  
they returned to Galil, to their city Natsareth.

Luke 2

Two Ideals - **SIDE BY SIDE** -  
a **Visual, Psychological and**  
**Contextual Separation**

... according to the practice of the festival

... according to the *Torah* of יהוה [Yahuah]

# Context – “...practice of the festival”

Luke 2:43 *When they had accomplished the days*, as they returned, the Child יהושע [Yahusha] **stayed** behind in Yerushalayim. And His parents did not know it.

The Scriptures **DO NOT SAY** “When they had fulfilled the Torah...”

By CONTEXT: are we to understand = *When they had accomplished* **THE DAYS**, that this ALSO was in accordance with the **LUNAR BASED** *festival of the Yahudim?*

Yahusha’s parents then: outright - left Him behind. This factor **ACCENTED** the platform for Yahusha to fulfill **RIGHTEOUSNESS** in accordance with the Torah, which is - **Yahuah’s Will.**

Something to think about:

Was Yahusha divinely  
"left behind" to bring His  
parents "back" to Jerusalem  
during the Covenant time  
of the Passover festival?

Something else to ponder:

Might Yahuah have instilled in Yahusha's parents,  
an intense passion through a "lost child,"  
("lost" in their **LUNAR VEILED** eyes);  
to be *purposely positioned* by Yahuah,  
expressly to  
learn a Valuable Lesson in Righteousness  
from Yahusha's position - **IN THE TEMPLE** -  
on the *Covenanted Calendar's* timing?

# CLARIFICATION

Yahusha was not simply in the LOCATION of the temple at age 12; which occurred 3 cycles AFTER the lunar based feast of the Yahudim.

Yahusha *exacted* the **POSITION** to **ASSERT AUTHORITY** through **RIGHTEOUSNESS !**

Might this highly unique event have occurred on an extremely **IMPORTANT "DAY"**?

# Just a trivial accident? Or **Torah Fulfillment**?

- When **Yahusha's** earthly parents “forgot” about **Yahusha** and left on their return home journey, was this just a coincidental act of forgetfulness,

**or was the Torah *deliberately* being fulfilled?**

- *Wording this differently –*  
When **Yahusha** was found *discovered* by His parents in the Tabernacle, what was **Yahusha's** response, and does it correspond to the teachings found in the **Torah**?
- **Again –** When **Yahusha** was discovered, “after three days” (Luke 2:46), witnessing to His Father's Blood Ratified Covenant Calendar in the Tabernacle, was He appropriately –

**“Living the Torah?”**

- John 1:1 In the beginning was **the Word**, and **the Word** was with Elohim, and **the Word** was Elohim.

# Yahusha's Response to the Inquiry -

## The Inquiry -

Luke 2:48 And having seen Him, they were amazed. And His mother said to Him, “Son, **WHY have You done this to us?** See, Your father and I have been anxiously seeking You.”

## Yahusha's Response -

Luke 2:49 And He said to them, “Why were you seeking Me? **Did you N-O-T K-N-O-W that I had to be in the **MATTERS of My Father?**”**

At age 12: Was Yahusha's presence in the temple on “Covenant Timing” or the “Jewish timing” that was “the custom of the day”?

# “The Matters” of the Father - Yahuah

Exo 23:14 **“Three times in the year you are to observe a festival to Me:**

Exo 23:15 **“Guard the Festival of Unleavened Bread. Seven days you eat unleavened bread, as I commanded you, at the time appointed in the month of Abib – for in it you came out of Mitsrayim [Egypt] – and do not appear before Me empty-handed;**

Exo 23:16 **“and the Festival of the Harvest, the first-fruits of your labours which you have sown in the field; *and the Festival of the Ingathering at the outgoing of the year*, when you have gathered in the fruit of your labours from the field.**

Exo 23:17 **“Three times in the year ALL YOUR MALES *are to appear before the Master יהוה [Yahuah].*”**

## Another Thought

*Did Yahusha [12 yrs] have a much better understanding of the Exo 23 passage than his mother Mary?*

Or was this the beginning of a "belief transformation" for Mary as she began to realize exactly who Yahusha was?

# What About Mary?

The mother's were not commanded to "go up to the Jerusalem temple" for the feasts.

## Question:

*Is it possible that Mary remained at home each year, as she was in the presence of the Messiah?*

*Is it possible that eventually Mary realized that the lunar feasts at "the temple" were not the "feasts of Yahuah"?*

What did Yahusha eventually say in John 7?

# A Knee Jerk Response? OR -

In John 7:7 when Yahusha said –  
“I bear **WITNESS** of it that its  
works are **WICKED.**”

Was this just a quick answer from no where?  
Or,

Was Yahusha actually telling us that He indeed  
provided us with His **FOOT STEPS IN REAL LIFE,**  
of His **INTENTIONAL LIFE ACTIVITIES** –  
“**I came to FULFILL**” - working for [and through] the  
**Living** Covenant Calendar, which was **BLOOD**  
**RATIFIED** by the 75 Hebrew Elders on Mt Sinai?

# What “on earth” was **Yahusha** thinking? #2

- The questions we then need to ask ourselves are –
- **1. By NOT observing the first Shabbat of the Feast of the Yahudim (Jews), did Yahusha incur a sin upon Himself?** 
- **2. Since Yahusha is deemed - sinless, what **circumstance** allows Him to skip the first Sabbath of the Feast of the Yahudim (Jews) and yet remain sinless?**
- Back to **John 7:18**: the context of **TIMING** (midst of the Festival, v:14) has just been set by **Yahusha**, then when questioned by the Yahudim, **Yahusha** declares to them outright that **THEY DO NOT **DO** THE TORAH!**
- Yet they were all there observing **their** Sukkot Feast of the Yahudim!
- **What part of the Torah **prevents** the Feast of the Yahudim from being observed according to the statutes of **Yahuah**?**

What **“ON EARTH”** is this situation?

- **According to Yahusha -**

- There is a circumstance which inevitably prevents

the Yahudim from observing the Torah **correctly**.

- Does this same **optional lunar tradition** effectively exclude

**Yahusha** from **Yahuah's** wrath when He began teaching

in the tabernacle

in the **MIDDLE** of **THEIR** Feast?

# ON EARTH!!

• **AGAIN -**

Man's OPTIONAL lunar  
worship deviant device!

• Does this same voluntary circumstance of

**TRADITION**

effectively exclude Yahusha  
from having incurred sin by entering at the

**MIDDLE of THEIR Feast?**

**We have yet to find out what cycle of the week  
was in the middle of THEIR Feast! A Shabbat?**

# Yahusha's Contention!

**Question:** Was Yahusha **IN AGREEMENT** with the *Metonic Cycle* - the luni/solar calendar of the imposter 2<sup>nd</sup> Temple hierarchy?

Or, have the Scriptures efficiently exposed an obvious difference in observing Mo-edim between the Yahudim, - and Yahusha?

Recall the last slide: the **VOLUNTARY LUNAR TRADITION** CREATES A CIRCUMSTANCE WHICH –

1. REMOVES YAHUSHA FROM BEING HELD ACCOUNTABLE by the Feast of the Yahudim!
2. PREVENTS THE YAHUDIM FROM OBSERVING THE TORAH!

“Yet **NOT ONE** of you does the Torah!” John 7:19!!!

## Questions

- ? **Why** was **Yahusha** *not conforming* to the **lunar/solar calendar** of the 2<sup>nd</sup> Temple era in 29 CE? And what about **CE 30**?
- ? **Would there be any connection to the destruction of Jericho the very center of moon worship?**
- ? Would there be any connection with the order to Gideon to destroy Zebah and Talmunna, moon worshipping leaders of their people?
- ? What about when Gideon retrieved the moon crescent pendants from their camels necks **which then became a snare** to Gideon later in life?
- ? Is there a lesson here? Can we learn from these examples?

- Next time you are asked –
- **Is there any proof of Yahusha being NOT in agreement with the lunar based calendar, in the Messianic Testament (NT) – What will your answer be?**
- Next time you are asked –
- How do we know **Yahusha** observed the **Covenant Calendar (while living on this earth)** as it is recorded clearly in the flood account with Noah, and the exodus from Mitsrayim? **What will your answer be? Might you say – FEET?**
- Shall we look at some **Scriptural evidence** that **Yahusha** was definitely **NOT IN AGREEMENT WITH THE LUNAR SYSTEM OF WORSHIP?**

# What to Expect in Part 2

We will examine the scriptural evidence in Part 2 very specifically:

1. cycle by cycle,
2. week by week,
3. 7<sup>th</sup> day Shabbat by 7<sup>th</sup> day Shabbat,
4. month by month, according to the phases of the moon (after the equinox event), and per historical documentation ...

- and ... according to how Covenant Calendar is laid out following the guidelines for Tequfah specifications as written in the Scripture. The Covenant Calendar will be compared to the Lunar calendar being used during the time of John 7 (side by side) for direct comparison purposes.

Question from the beginning:

Does the Festival in John 7,  
(by Torah statute), **require**  
**ALL MALES** to attend?

Another question:

Are the **MALES** **required**  
to attend lunar feasts  
according to pagan statutes?

**Lôok Again!**

**Yahusha's  
Contempt**

↓

**Lunar Feast of Tabernacles**

**John 7 Part 2**

The former two questions are of utmost importance and will be answered in Part 2.

We will take a very serious DETAILED look at the Jews' lunar calendar in comparison to the Living Covenant Calendar designed by Yahusha from the foundation of this earth.
